SUPPLEMENTARY INFORMATION: Refer to
section 310B(c) (7 U.S.C. 1932) of the,
Consolidated Farm and Rural
Development Act, as amended, and
FmHA Instruction 1942-G for the
information collection requirements of
the RBEG program. The RBEG program
was previously administered by the
former Rural Development
Administration. Under the
reorganization of the Department of
Agriculture, the responsibility for
administering this program was
transferred to RBS. Part 1942-G of title
7 of the Code of Federal Regulations
provides details on what information
must be contained in the preapplication
package.

The RBEG program is authorized by
section 310B of the Consolidated Farm
and Rural, Development Act (7 U.S.C.
1932), as amended. The primary
objective of the program is to improve
the economic conditions of rural areas.
The RBEG program will achieve this
objective by assisting private nonprofit
corporations serving rural areas in
providing technical assistance for
planning and developing transportation
systems and for training for rural
communities needing improved
passenger transportation systems or
facilities in order to promote economic
development through a link between
transportation and economic
development initiatives.

RBEG grants are competitive and will
be awarded to nonprofit institutions
based on specific selection criteria, as
required by legislation and set forth in
7 CFR part 1942, subpart G. Project
selection will be given to those projects
that contribute the most to the
improvement of economic conditions in
rural areas. Preapplications will be
tentatively scored by the State Offices
and submitted to the National Office for
review, final scoring, and selection.

**Fiscal Year 1997 Preapplication
Submission**

Qualified applicants should begin the
preapplication process as soon as
possible and have their preapplication
submitted to the State Offices no later
than May 1, 1997. Each preapplication
received in a State Office will be
reviewed to determine if the
preapplication is consistent with the
eligible purposes outlined in 7 CFR part
1942, subpart G. Each criteria outlined
in 7 CFR part, 1942, subpart G must be
addressed in the preapplication. Failure
to address any of the criteria will result
in a zero-point score for that criteria and
can impact preapplication competence.
Copies of 7 CFR part 1942, subpart G,
will be provided to any interested
applicant by making a request to the
Rural Development State Office or the
RBS National Office. All projects to
receive technical assistance through
these grant funds are to be identified
when the preapplication is submitted to
the State Office. Multiple project
preapplications must identify each
individual project, indicate the amount
of funding requested for each individual
project, and address the criteria as
stated above for each individual project.
Multiple project applicants should
indicate if the applicant wishes the
projects scored individually or as an
aggregate average.

All eligible preapplications, along
with tentative scoring sheets and the
State Director's recommendation, will
be referred to the National Office no
later than June 2, 1997, for final scoring
and selection for award.

The National Office will score
preapplications based on the grant
selection criteria and weights set forth
in 7 CFR part 1942, subpart G, and will
select awardees subject to the
availability of funds and the awardee's
satisfactory submission of a formal
application and related materials in
accordance with subpart G. It is
anticipated that grant awardees will be
selected by July 28, 1997. All applicants
will be notified by the RBS of the
Agency decision on awards, and non-
selectees will be provided appeal rights
in accordance with 7 CFR part 11. The
information collection requirements
within this Notice are covered under
OMB No. 0575-0132 and 7 CFR part
1942, subpart G.

Dated: February 3, 1997.

Jill Long Thompson,
