J.M. Huber Corporation, Oil and Gas Division, Houston, TX; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 21, 1996, applicable to all workers of J.M. Huber Corporation, Oil and Gas Division located in Houston, Texas. The notice was published in the Federal Register on September 13, 1996 (61 FR 48504).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New findings show that the Department incorrectly set the impact date at July 26, 1995. The workers at the subject firm were covered under an earlier certification, TA-W-29,330, which expired March 9, 1996. The Department is amending the current certification for workers of J.M. Huber Corporation, Oil and Gas Division to set the impact date at March 9, 1996.

The amended notice applicable to TA-W-32,611 is hereby issued as follows:

All workers of J.M. Huber Corporation, Oil and Gas Division, Houston, Texas who became totally or partially separated from employment on or after March 9, 1996 are

eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 5th day of February 1997.

Russell T. Kile,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

National Food Products Limited Reading, Pennsylvania; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of January 7, 1997, a company official requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, petition under TA-W-32,881, for workers of the subject firm. The denial notice was signed on December 16, 1996, and published in the Federal Register on December 31, 1996 (61 FR 69110).

The petitioner presents new evidence that the Department's survey of the subject firm's customers was incomplete.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 4th day of February 1997.

Russell T. Kile,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
