BILLING CODE 4190-29-M

DEPARTMENT OF TRANSPORTATION

Office of the Secretary

Reports, Forms and Recordkeeping Requirements; Agency Information Collection Activity Under OMB Review

AGENCY: Office of the Secretary, DOT.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 3501, *et seq.*) the Department of Transportation has submitted the following emergency processing public Information Collection Requests (ICRs) abstracted below to the Office of Management and Budget (OMB) for review and clearance. The ICRs describe the nature of the information collections and their expected burden.

FOR FURTHER INFORMATION CONTACT:

Phillip A. Leach, Office of the Secretary, U.S. Department of Transportation, 400 Seventh Street, SW., Washington, DC 20590, 202/366-0770.

SUPPLEMENTARY INFORMATION:

Office of the Secretary

1. *Title:* Report of DBE Awards and Commitments.

OMB Control Number: 2105-0510.

Type of Request: Reinstatement, without change, of a previously approved collection for which approval has expired.

Form(s): DOT F 4630.

Affected Public: DOT financially-assisted state and local transportation agencies.

Abstract: 49 CFR Part 23 establishes requirements for the Department of Transportation (DOT) so as to comply with the mandates of the Intermodal Surface Transportation and Efficiency Act (ISTEA) of 1991 (Pub. L. 102-240, December 18, 1991). 49 CFR Part 23.49(a) requires that DOT and its Operating Administrations develop a recordkeeping system to monitor, assess and identify contract awards and progress in achieving DBE subcontract goals. In addition, Pub. L. 102-240 section 1003(b) requires that each state annually survey and compile a list of small business concerns and the location of such concerns, and notify the Secretary of Transportation of the percentage of such concerns controlled by women and by socially and economically disadvantaged individuals other than women. If these reporting requirements were not available, firms controlled by minorities would not achieve the fullest possible participation in DOT programs, and the Department would not be able to identify its recipients and evaluate the extent to which financial assistance recipients have been awarded a reasonable amount.

In order to minimize the burden on DOT recipients the Department has limited its informational request and reporting frequency to that necessary to meet its program and administrative monitoring requirements. The informational request consists of 17 data items on one page and one attachment, to be completed on an annual, semi-annual or quarterly basis. It is the overall long range objective of DOT to permit all DOT recipients to report on a yearly basis depending upon their past experience in meeting their goals.

Estimated Annual Burden Hours:

20,824 hours.
