Submission for OMB Review; Comment Request Dietary Supplements Information Needs Assessment Survey

SUMMARY: Under the provisions of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH), Office of the Director (OD), the Office of Dietary Supplements (ODS) has submitted to the Office of Management and Budget (OMB) a request to review and approve the information collection listed below. This proposed information collection was previously published in the **Federal Register** on January 8, 1998, pages 1115-1116 and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comments. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposed Collection

Title: Dietary Supplements Information Needs Assessment Survey.
Type of Information Collection Request: New Collection. **Need and use of Information Collection:** This survey will assess the availability of and need for dietary supplements information services in the United States. The primary objectives are to determine the number and nature of information requests about dietary supplements received by major nutrition, medical, health and botanical organizations in the United States, and to assess their interest in a centralized information center to deal with information requests pertaining to dietary supplements.
Frequency of Response: One time.
Affected Public: Business or other for-profit; Not-for-profit institutions, and Federal Government. **Type of Respondents:** Organizations. The annual reporting burden is as follows:
Estimated Number of Respondents: 180.
Estimated Number of Responses per Respondent: 1. **Average Burden Hours Per Response:** 25. **Estimated Total Annual Burden Hours Requested:** 45. The annualized cost to respondents is estimated at: \$1,800. There are no Capital Costs to report. There are no Operating or Maintenance Costs to report.

Request for Comments

Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points. (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Direct Comments to OMB

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, New Executive Office Building, Room 10235,

Washington, DC 20503, Attention: Desk Officer for NIH. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact: Dr. Charles R. MacKay, Project Clearance Officer, Office of Policy for Extramural Research Administration, Office of Extramural Research, Office of the Director, NIH, Rockledge II, 6701 Rockledge Drive, MSC 7730, Room 2196, Bethesda, MD 20892-7730, or call non-toll-free number (301) 435-0978 or E-Mail your request, including your address to: cm13f@nih.gov.

Comments Due Date

Comments regarding this information collection are best assured of having their full effect if received on or before April 13, 1998.

Dated: March 5, 1998.
