L. 104-193); to update the list of Commerce Department bureaus; to update the location and system manager of our system of records; and to update the notification procedures. We invite public comment on the proposed routine use in this publication.

**DATES:** *Effective Date:* The amendments will become effective as proposed without further notice on April 15, 1998, unless comments dictate otherwise.

All comments received will be available for public inspection at U.S. Department of Commerce, Central Reference Room Inspection Facility, Room 6204, 14th & Constitution Avenue, NW., Washington, DC, 20230.

**FOR FURTHER INFORMATION CONTACT:** Diane M. Atchinson, U.S. Department of Commerce, Room 5001, 14th & Constitution Avenue, NW., Washington, DC, 20230, 202-482-4425.

**SUPPLEMENTARY INFORMATION:** Pursuant to Pub. L. 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, the Department of Commerce will disclose data from Commerce Department System 1; Attendance, Leave, and Payroll Records of Employees and Certain Other Persons system of records to the Office of Child Support Enforcement, Administration for Children and Families, Department of Health and Human Services for use in the National Database of New Hires, part of the Federal Parent Locator Service

(FPLS) and Federal Tax Offset System, HHS/OCSE No. 09-90-0074. A description of the Federal Parent Locator Service may be found at 62 FR 51663 (October 2, 1997).

FPLS is a computerized network through which States may request location information from Federal and State agencies to find non-custodial parents and their employers for purposes of establishing paternity and securing support. On October 1, 1997, the FPLS was expanded to include the National Directory of New Hires, a database containing employment information on employees recently hired, quarterly wage data on private and public sector employees, and information on unemployment compensation benefits. On October 1, 1998, the FPLS will be expanded further to include a Federal Case Registry. The Federal Case Registry will contain abstracts on all participants involved in child support enforcement cases. When the Federal Case Registry is instituted, its files will be matched on an ongoing basis against the files in the National Directory of New Hires to determine if an employee is a participant in a child support case anywhere in the country. If the FPLS identifies a person as being a participant in a State child support case, that State will be notified. State requests to the FPLS for location information will also continue to be processed after October 1, 1998.

When individuals are hired by the Department of Commerce, we may disclose to the FPLS their names, social security numbers, home addresses, dates of birth, dates of hire, and information identifying us as the employer. We also may disclose to the FPLS names, social security numbers, and quarterly earnings of each Department of Commerce employee, within one month of the end of the quarterly reporting period.

Information submitted by the Department of Commerce to the FPLS will be disclosed by the Office of Child Support Enforcement to the Social Security Administration for verification to ensure that the social security number provided is correct. The data disclosed by the Department of Commerce to the FPLS will also be disclosed by the Office of Child Support Enforcement to the Secretary of the Treasury for use in verifying claims for the advance payment of the earned income tax credit or to verify a claim of employment on a tax return.

We are also making other changes required to update the system of records. The list of Commerce Department bureaus is updated to add the Office of the Secretary, Bureau of Export Administration, Economic and Statistics Administration, National

Institute of Standards and Technology, Technology Administration and Office of Inspector General; and to remove Departmental Offices and United States Travel and Tourism Administration. The location and manager of our system is updated to: Remove the Management Service Center in Germantown, Maryland; add the National Finance Center, U.S. Department of Agriculture, in New Orleans, Louisiana; and add the Field Administrative Payroll System, Bureau of the Census, Suitland, Maryland.

Accordingly, the Attendance, Leave, and Payroll Records of Employees and Certain Other Persons system notice originally published at 46 FR 63502, December 31, 1981, is amended by the addition of the following routine use and updates:

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On September 9, 1997, the Department of Commerce ("the Department") published the preliminary results of its administrative reviews of the antidumping duty orders on certain corrosion-resistant carbon steel flat products and certain cut-to-length carbon steel plate from Canada. These reviews cover five manufacturers/exporters of the subject merchandise to the United States during the period August 1, 1995, through July 31, 1996. #### SUPPLEMENTARY INFORMATION:

#### The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments

made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations set forth at 19 CFR part 353 (April 1997).

#### Background

On September 9, 1997, the Department published in the **Federal Register** (62 FR 47429) the preliminary results of its administrative reviews of the antidumping duty orders on certain corrosion-resistant carbon steel flat products and certain cut-to-length carbon steel plate from Canada ("Preliminary Results"). We gave interested parties an opportunity to comment on our preliminary results. We received written comments from Algoma, CCC, Dofasco, MRM, Stelco, and from the petitioners (Bethlehem Steel Corporation, U.S. Steel Group (a unit of USX Corporation), Inland Steel Industries, Inc., Gulf States Steel Inc. of Alabama, Sharon Steel Corporation, Geneva Steel, and Lukens Steel Company). We have now completed these administrative reviews in accordance with section 751(a) of the Act.

On October 10, 1996, petitioners requested that the Department determine whether antidumping duties had been absorbed by Algoma, CCC, Dofasco, MRM, and Stelco during the period of review (POR), pursuant to section 751(a)(4) of the Act. Section 751(a)(4) provides that the Department, if requested, will determine during an administrative review initiated two years or four years after publication of the order whether antidumping duties have been absorbed by a foreign producer or exporter subject to the order if the subject merchandise is sold in the United States through an importer who is affiliated with such foreign producer or exporter. Section 751(a)(4) was added to the Act by the URAA. The Department's interim regulations do not address this provision of the Act. Section 351.213(j)(2) of the Department's May 19, 1997 regulations provides that, for transition orders as defined in section 751(c)(6)(C) of the Act, *i.e.*, orders in effect as of January 1, 1995, the Department will make a duty absorption determination upon request in administrative reviews initiated in 1996 and 1998. See *Antidumping Duties; Countervailing Duties: Final Rule*, 62 FR 27296, 27394 ("new regulations"). Although these new regulations do not govern these administrative reviews, they do constitute a public statement of how the Department will proceed in construing section 751(a)(4) of the Act. This
