Proposed Collection; Comment Request—Recordkeeping Requirements Under the Safety Regulations for Full-Size Cribs

AGENCY: Consumer Product Safety
 Commission.

ACTION: Notice.

SUMMARY: As required by the Paperwork
 Reduction Act of 1995 (44 U.S.C.
 Chapter 35), the Consumer Product
 Safety Commission requests comments
 on a proposed extension of approval
 through September 30, 2001, of
 information collection requirements in
 the safety regulations for full-size cribs

¹ The limit has not been adjusted to account for
 any imports exported after December 31, 1997.

codified at 16 CFR 1500.18(a)(13) and
 Part 1508. These regulations were
 issued to reduce hazards of
 strangulation, suffocation, pinching,
 bruising, laceration, and other injuries
 associated with full-size cribs. (A full-
 size crib is a crib having an interior
 length ranging from 49¾ inches to 55
 inches and an interior width ranging
 from 25⅝ to 30⅝ inches.) The
 regulations prescribe performance,
 design, and labeling requirements for
 full-size cribs. They also require
 manufacturers and importers of those
 products to maintain sales records for a
 period of three years after the
 manufacture or importation of full-size
 cribs. If any full-size cribs subject to
 provisions of 16 CFR 1500.18(a)(13) and
 Part 1508 fail to comply in a manner
 severe enough to warrant a recall, the
 required records can be used by the
 manufacturer or importer and by the
 Commission to identify those persons
 and firms who should be notified of the
 recall. The Commission will consider all
 comments received in response to this
 notice before requesting approval of this
 collection of information from the Office
 of Management and Budget.

DATES: Written comments must be
 received by the Office of the Secretary
 not later than June 8, 1998.

ADDRESSES: Written comments should
 be captioned "Collection of
 Information—Requirements Under the
 Safety Regulations for Full-Size Cribs"
 and mailed to the Office of the
 Secretary, Consumer Product Safety
 Commission, Washington, D.C. 20207,
 or delivered to that office, room 502,
 4330 East-West Highway, Bethesda,
 Maryland 20814. Written comments
 may also be sent to the Office of the
 Secretary by facsimile at (301) 504-0127
 or by e-mail at cpsc-os@cpsc.gov.

FOR FURTHER INFORMATION CONTACT: For
 information about the proposed
 collection of information call or write
 Robert E. Frye, Director, Office of
 Planning and Evaluation, Consumer
 Product Safety Commission,
 Washington, D.C. 20207; (301) 504-
 0962, Ext. 2264.

SUPPLEMENTARY INFORMATION:

A. Estimated Burden

Based on information available at the
 time the Commission sought Office of
 Management and Budget approval of the
 collection of information in the safety
 regulations for full-size cribs in 1995,
 the Commission staff estimates that
 there are 40 firms required to annually
 maintain sales records of full-size cribs.
 The staff further estimates that the
 average number of hours per respondent

is five per year, for a total of 200 hours of annual burden (40×5=200).

B. Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- Whether the collection of information described above is necessary for the proper performance of the Commission's functions, including whether the information would have practical utility;
- Whether the estimated burden of the proposed collection of information is accurate;
- Whether the quality, utility, and clarity of the information to be collected could be enhanced; and
- Whether the burden imposed by the collection of information could be minimized by use of automated, electronic or other technological collection techniques, or other forms of information technology.

Dated: April 2, 1998.

Secretary, Consumer Product Safety Commission.

CONSUMER PRODUCT SAFETY COMMISSION

Proposed Collection; Comment Request—Testing and Recordkeeping Requirements Under the Standard for the Flammability of Mattresses and Mattress Pads

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: As required by the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Consumer Product Safety Commission requests comments on a proposed extension of approval through September 30, 2001, of information collection requirements in the Standard for the Flammability of Mattresses and Mattress Pads (16 CFR Part 1632). The standard is intended to reduce unreasonable risks of burn injuries and deaths from fires associated with mattresses and mattress pads. The standard prescribes a test to assure that a mattress or mattress pad will resist ignition from a smoldering cigarette. The standard requires manufacturers to perform prototype tests of each combination of materials and construction methods used to produce mattresses or mattress pads and to obtain acceptable results from such testing. Sale or distribution of mattresses without successful completion of the testing required by the standard violates section 3 of the Flammable Fabrics Act (15 USC 1192). An enforcement rule implementing the standard requires manufacturers to maintain records of testing performed in
