January 9, 1998.

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

Currently, the Employment and Training Administration is soliciting comments concerning the proposed extension collection of the Solicitation for Grant Applications (SGA) for the Welfare-to-Work (WtW) Competitive Grants. This SGA was published in the **Federal Register** on December 30, 1997 Under OMB approval number 1205-0387 (Please note that, due to a typographical error, the OMB approval number appeared in the SGA as "1205-1387". This clearance number is incorrect). A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed in the addressee section of this notice. Comments will be used to influence the development of future WtW solicitations for grant applications. The SGA published in the **Federal Register** on December 30, 1997 will not be modified in any way.

DATES: Written comments on the WtW SGA published in the **Federal Register** on December 30, 1997 must be submitted to the office listed in the

addressee section below on or before March 16, 1998. The Department of Labor is particularly interested in comments which:

- evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- enhance the quality, utility, and clarity of the information to be collected; and
- minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

SUPPLEMENTARY INFORMATION:

I. Background

The Balanced Budget Act of 1997, signed by the President on August 5, 1997, authorized the Department of Labor to provide Welfare-to-Work (WtW) grants to States and local communities to provide transitional employment assistance to move Temporary Assistance for Needy Families (TANF) recipients with significant employment barriers into unsubsidized jobs providing long-term employment opportunities. Under the WtW grants program, 25% of funds not allocated by the formula grants (to the States) will be provided through competitive grants to local governments, PICs, and private entities. In order to receive competitive grant funds, the statute provides that the public or private entity must submit an application in conjunction with the applicable PIC or political subdivision.
