Stride Rite Corporation, Hamilton, Missouri, Tipton, Missouri, and Lexington, Massachusetts; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on March 27, 1997, applicable to all workers of Stride Rite Corporation located in Hamilton and Tipton, Missouri. The notice was published in the **Federal Register** on May 2, 1997 (62 FR 24135).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of children's shoes. New information received by the company shows that worker separations have occurred at the Lexington, Massachusetts location of Stride Rite Corporation. The Lexington, Massachusetts facility is the corporate headquarters office and provides production planning services for children's shoes at Stride Rite Corporation.

The intent of the Department's certification is to include all workers of Stride Rite Corporation who were adversely affected by increased imports of children's shoes. Accordingly, the Department is amending the certification to cover the workers of Stride Rite Corporation, Lexington, Massachusetts.

The amended notice applicable to TA-W-33,328 is hereby issued as follows:

All workers of Stride Rite Corporation, Hamilton, Missouri (TA–W–33,328), Tipton, Missouri (TA–W–33,328A) and Lexington, Massachusetts (TA–W–33,328B) engaged in the production of children's shoes who became totally or partially separated from employment on or after February 24, 1996 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington D.C. this 14th day of January, 1998.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

University Technical Services, Incorporated, Canton, New York; Amended Negative Determination Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance on November 17, 1997, applicable to all workers of University Technical Services, Incorporated, San Diego, California. The notice was published in the **Federal Register** on December 10, 1997 (62 FR 65100).

At the request of the State agency, the Department reviewed the negative determination for workers of the subject firm. New findings show that the Department incorrectly identified the subject firm location. The investigation conducted for the subject firm was conducted on behalf of workers engaged in providing operations and maintenance services for electricity generation located in Canton, New York. San Diego, California is the Administrative Services office of the subject firm and is not the subject of the investigation. The Department is amending the negative determination to correctly identify the city and state to read Canton, New York.

Conclusion

After careful review, I determine that all workers of University Technical Services, Incorporated, Canton, New York are denied eligibility to apply for adjustment assistance under Section 222 of the Trade Act of 1974.

Signed at Washington, D.C. this 23rd day of December 1997.
