Office of the Secretary

Submission for OMB Review; Comment Request

ACTION: Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title, Associated Form, and OMB Number: Air Force ROTC College Scholarship Application; AF Form 113; OMB Number 0701-0101.

Type of Request: Extension.

Number of Respondents: 11,000.

Responses Per Respondent: 1.

Annual Responses: 11,000.

Average Burden Per Response: 42 minutes.

Annual Burden Hours: 7,700.

Needs and Uses: Respondents are high school students or graduates between the ages of 16 and 21 years. Respondents must complete all requirements listed in the application package and return before the final deadline of December 1. Due to the number of factors that have proven to influence successful completion of a college program, it is necessary to collect information in all areas listed on the application. Additionally, the national average attrition from college is about 40 percent. In order to obtain a reasonable return for the dollars expended on scholarships, we must apply as comprehensive an evaluation of each candidate as possible. Without this screening process, the consequences to this federal program would be wasted dollars on individuals who left the program prior to incurring an obligation to serve in the military. In addition to the concern for the economy of scholarship dollars, Congressional oversight of the program demands that the Services be able to report on the numbers and kinds of individuals who apply for scholarships and provide leads for AFROTC units around the nation.

Affected Public: Individuals or Households.

Frequency: On occasion.

Respondent's Obligation: Required to Obtain or Retain Benefits.

OMB Desk Officer: Mr. Edward C. Springer.

Written comments and recommendations on the proposed information collection should be sent to Mr. Springer at the Office of Management and Budget, Desk Officer for DOD, Room 10236, New Executive Office Building, Washington, DC 20503.

DOD Clearance Officer: Mr. Robert Cushing.

Written requests for copies of the information collection proposal should be sent to Mr. Cushing, WHS/DIOR, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302.

Dated: January 22, 1998.

List of Institutions of Higher Education Ineligible for Federal Funds

AGENCY: Department of Defense.

ACTION: Notice.

SUMMARY: This document is published to identify institutions of higher education that are ineligible for contracts and grants by reason of a determination by the Secretary of Defense that the institution prevents military recruiter access to the campus or students or maintains a policy against ROTC. It also implements the requirements set forth in the Omnibus Consolidated Appropriations Act of 1997 and 32 CFR Part 216.

Recently, American University reported modifications to policies of its Washington College of Law sufficient to merit removal of that college from the list of ineligible schools. Currently, no institution of higher education is ineligible for contracts of grants under the aforementioned law and policy.

ADDRESSES: Director for Accession Policy, Office of the Assistant Secretary of Defense for Force Management Policy, 4000 Defense Pentagon, Washington, DC 20301-4000.

FOR FURTHER INFORMATION CONTACT:

William J. Carr, (703) 697-8444.

SUPPLEMENTARY INFORMATION: On April 8, 1997 (62 FR 16691), the Department of Defense published 32 CFR part 216 as an interim rule. This rule requires that the Department of Defense semi-annually publish a list of the institutions of higher education ineligible for Federal funds due to a policy or practice that either prohibits, or in effect prevents, the Secretary of Defense from obtaining, for military recruiting purposes, entry to campuses, access to students on campuses, access to directory information on students or that has an anti-ROTC policy. On December 9, 1997 (62 FR 64813), the Department of Defense published a list of the institutions of higher education ineligible for Federal funding; this notice updates and supersedes that listing.

Dated: January 22, 1998.

Alternate OSD Federal Register Liaison Officer, Department of Defense.
