

service resulting from increased rate base as a result of additional plant investment. Increase in rate base related expenses, such as depreciation, return on income taxes and other taxes are reflected in the proposed cost of service, as well as increased operations and maintenance expenses.

In addition to reflecting the revised cost of service, KNI states that its proposed rates have been developed using billing determinants and throughput levels that will allow KN to collect revenues that are equal to the proposed cost of service for performing transportation and storage services.

KNI has served copies of this filing upon all jurisdictional customers, interested State Commissions, and other interested parties.

Any person desiring to be heard or protest the proposed tariff sheets should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with §§ 385.211 and 385.214 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with § 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Mississippi River Transmission Corporation; Notice of Refund Report

January 28, 1998.

Take notice that on January 16, 1998, Mississippi River Transmission Corporation (MRT) filed its report of refunds in the above referenced docket for the period October 1, 1996 through June 30, 1997.

MRT states that a December 20, 1997, it distributed, to eligible Consenting Parties refunds covering the period October 1, 1996 through June 30, 1997, including interest calculated in accordance with Section 154.501(d) of

the Commission's Regulations, 18 CFR 154.501(d). MRT also states that these refunds reflect the difference, including interest, between the total payments actually made to MRT each firm and interruptible customer that is a Consenting Party and the Period I Settlement Rates established pursuant to the Settlement dated July 25, 1997.

MRT states that a copy of this report is being mailed to each of its affected customers and the state commissions of Arkansas, Illinois and Missouri.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before February 4, 1998.

Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP98-182-000]

Tennessee Gas Pipeline Company; Notice of Request Under Blanket Authorization

January 28, 1998.

Take notice that on January 13, 1998, Tennessee Gas Pipeline Company (Tennessee), Post Office Box 2511, Houston, Texas 77252, filed a prior notice request with the Commission in Docket No. CP98-182-000 pursuant to Section 157.205 of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to construct and operate a delivery point in Worcester County, Massachusetts, under Tennessee's blanket certificates issued in Docket Nos. CP82-413-000 and CP82-115-000 pursuant to Section 7 of the NGA, all as more fully set forth in the request which is open to the public for inspection.

Tennessee proposes to construct and operate a delivery point on its system for Millennium Power Partners, L.P. (Millennium) in Worcester County. Tennessee states that it would install, own, operate, and maintain two eight-inch hot taps; approximately 100 feet of 10-inch diameter interconnecting pipe between the tap and the meter; measurement facilities; electronic gas measurement equipment; flow control devices; a chromatograph; communications equipment; and approximately 2,000 feet of 10-inch diameter lateral piping downstream of the meter. Tennessee also proposes to perform site preparation and improvements, install an all-weather access road, and provide electrical and telephone service. Tennessee states that Millennium would reimburse Tennessee for the estimated \$831,600 in construction cost for the proposed facilities.

Tennessee states that it would deliver up to 60,000 dekatherms of natural gas per day to Millennium at the proposed delivery point. Tennessee that it would transport gas on an interruptible basis pursuant to Rate Schedule IT of

Tennessee's FERC Gas Tariff or on a firm basis through other third-party transportation agreements with existing Tennessee shippers. Tennessee further states that the natural gas volumes it would deliver to Millennium after the construction of the proposed delivery point would not exceed the total volumes authorized prior to this request.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.

Tennessee Gas Pipeline Company; Notice of Technical Conference

January 28, 1998.

The above referenced dockets relate to Tennessee Gas Pipeline Company's (Tennessee) Annual Cashout Reports. Parties have filed comments raising concerns with the reports. In order to resolve the issues in these proceedings, the Commission Staff is convening a Technical Conference among the interested parties.

Take notice that the conference will be held on Thursday, February 26, 1998, beginning at 10:00 a.m. in a room to be designated at the offices of the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

Tennessee and interested parties should be prepared to discuss in detail the cashout reports and address the specific concerns raised by the parties in these proceedings. Such discussion should address what elements of system inventory should be utilized in the calculation of the cashout reports and
