**SUPPLEMENTARY INFORMATION:** On December 31, 1998, the Department of Energy published a Notice of Inquiry in the **Federal Register** (62 FR 68272) soliciting public comments concerning

the continuation or modification of the provisions of the Price-Anderson Act. These comments will assist the Department in the preparation of a report on the Act to be submitted to Congress by August 1, 1998 as required by the Atomic Energy Act. The initial comments were due on January 30, 1998. In addition, reply comments on the initial comments were due on February 13, 1998.

Several of the initial comments indicated the comment period should be longer because of the complex legal and policy issues raised by the Notice of Inquiry. In response to these requests for a longer comment period, the Department has decided to change the due date for reply comments from February 13, 1998, to February 25, 1998. This extension will provide more time for the preparation of reply comments.

Issued in Washington, DC on February 9, 1998.
