Notice of Noncompetitive Sale of Public Lands in Grant County, Oregon**AGENCY:** Bureau of Land Management, Prineville District Office.**ACTION:** Notice of noncompetitive sale of public lands in Grant County, Oregon.

SUMMARY: The following land has been found suitable for direct sale under Section 203 of the Federal Land Policy and Management Act of 1976 (90 Stat. 2750, 43 U.S.C. 1713). The land will not be offered for sale until at least 60 days after the date of notice.

Willamette Meridian

T. 12 S., Range 33 E.,
 Section 24: NW $\frac{1}{4}$ SW $\frac{1}{4}$
 Containing approximately 40 acres.

The land described is hereby segregated from appropriation under the public land laws, including mining laws, pending disposition of this.

A decision to convey the land to the city of Prairie City, Oregon was signed on February 23, 1999. The action would result in the disposal of the tract that contains the cities solid waste disposal landfill. The action has been determined to be a logical means to resolve Prairie City's continuing need for a solid waste

disposal site in a reasonable location without incurring the major expenses to close the existing site and develop a new one.

For a period of 45 days from the date of publication of this notice in the *Federal Register* interested parties may submit comments to the District Manager, P.O. Box 550, Prineville, Oregon 97754. In the absence of timely objections, this proposal shall become the final determination of the Department of the Interior.

Notice of Upstream Travel Restrictions in "Wild and Scenic" Segments of the Upper Missouri National Wild and Scenic River

SUMMARY: Notice is hereby given that effectively immediately and in accordance with the Upper Missouri National Wild and Scenic River Management Plan Update, February 1993, seasonal boating restrictions are in effect on the "Wild and Scenic" segments of the Upper Missouri National Wild and Scenic River from the Saturday before the observed Memorial Day through the Sunday after Labor Day.

Open Segments: from Fort Benton (river mile 0) to Pilot Rock (river mile 52) and Deadman's Rapids (river mile 84.5) to Holmes Council Island (river mile 92.5). In these segments, motorized travel upstream and downstream allowed.

Seasonal Restricted Segments: from Pilot Rock (river mile 52) to Deadman's Rapids (river mile 84.5) and from Holmes Council Island (river mile 92.5) to Fred Robinson Bridge (river mile 149). In these seasonally restricted segments, extended upstream travel by motorized watercraft is limited to official administrative, emergency, or law enforcement watercraft only. Downstream travel by motorized craft is allowed in these segments, but cannot exceed a white water wake speed. A white water wake speed is defined as a speed where white water occurs in the

path of the vessel or in waves created by the vessel.

These seasonal restrictions in the "Wild and Scenic" segments of the Upper Missouri National Wild and Scenic River Corridor are necessary to reduce user conflicts, limit noise impacts, protect all boaters from capsizing or collisions, and to protect boats and canoes tied at the rivers edge.

SUPPLEMENTARY INFORMATION: Any person convicted of violating these restrictions shall be punished by a fine not to exceed \$500.00 or by imprisonment for a period not to exceed 6 months, or both, and shall be adjudged to pay all costs of the proceedings (43 CFR 8351.2-1).

SUMMARY: The Federal Oil and Gas Royalty Simplification and Fairness Act of 1996 (RSFA), Pub. L. 104-185, as corrected by Pub. L. 104-200, establishes the owners of operating rights and/or lease record title (who are jointly defined as "lessees" under RSFA) as responsible for making royalty and related payments on a Federal lease. Currently, it is common for a payor rather than a lessee to make royalty and related payments on a Federal lease. When a payor pays royalties on a Federal lease on behalf of a lessee, RSFA requires that the lessee certify to MMS in writing that a particular payor has been designated by the lessee to make such royalty and related payments to MMS on behalf of the lessee. RSFA made this payor designation requirement effective for lease production beginning September 1, 1996.
