**Deletions**

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action will result in authorizing small entities to furnish the commodity and service to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodity and service proposed for deletion from the Procurement List.

The following commodity and service have been proposed for deletion from the Procurement List:

**COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED****Procurement List; Additions**

**AGENCY:** Committee for Purchase From People Who Are Blind or Severely Disabled.

**ACTION:** Additions to the procurement list.

**SUMMARY:** This action adds to the Procurement List commodities and services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

**EFFECTIVE DATE:** May 3, 1999.

**ADDRESSES:** Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Gateway 3, Suite 310, 1215 Jefferson Davis Highway, Arlington, Virginia 22202-4302.

**FOR FURTHER INFORMATION CONTACT:** Beverly Milkman (703) 603-7740.

**SUPPLEMENTARY INFORMATION:** On December 11, 1998, January 15 and 29, and February 19, 1999, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (63 F.R. 68428, 64 F.R. 2623, 4638, and 8291) of proposed additions to the Procurement List.

**The Following Comments Pertain to Strap, Webbing**

Comments were received from one of the current contractors in response to a Committee request for corporate sales data. The contractor indicated that it is a small company with a significant portion of its business coming from Government sales of webbing straps. It noted that the nonprofit agency which will produce the straps being added to the Procurement List also produces other straps which the Government formerly procured competitively. The contractor requested that the Committee not take these webbing straps or any more out of the competitive procurement arena.

In making a decision to add a commodity to the Procurement List, the Committee assesses the impact of its decision on the current contractor for the commodity. The straps at issue here represent only a small part of the contractor's sales, well below the level which the Committee normally considers to be severe adverse impact. In addition, the commenting contractor was not the current contractor for any of the other straps mentioned when they were added to the Procurement List. As no contractor is guaranteed a contract under the competitive procurement system, the Committee does not consider the loss of a chance to bid on

contracts, by itself, to constitute severe adverse impact on a potential bidder. Consequently, the Committee does not believe that addition of the straps at issue to the Procurement List will have a severe adverse impact on the commenting contractor.

**The following Material Pertains to All of the Items Being Added to the Procurement List**

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and services and impact of the additions on the current or most recent contractors, the Committee has determined that the commodities and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.

2. The action will not have a severe economic impact on current contractors for the commodities and services.

3. The action will result in authorizing small entities to furnish the commodities and services to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and services proposed for addition to the Procurement List.

Accordingly, the following commodities and services are hereby added to the Procurement List:
