FEDERAL EMERGENCY MANAGEMENT AGENCY

Agency Information Collection Activities: Submission for OMB Review; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency is submitting a request for review and approval of an expired information collection. The request is submitted under the emergency processing procedures in Office of Management and Budget (OMB) regulation 5 CFR 1320.13. FEMA is requesting that this information collection be approved by April 5, 1999, for use through October 1999.

FEMA plans to follow this emergency request with a request for a 3-year approval. The request will be processed under OMB's normal clearance procedures in accordance with the provisions of OMB regulation 5 CFR 1320.10. To help us with the timely processing of the emergency and normal clearance submissions to OMB, FEMA invites the general public to comment on the proposed collection of information, which is necessary for individuals to apply for disaster assistance benefits. The forms serve as a basic screening and referral document for a number of other Federal and State disaster aid programs by identifying applicant's disaster related needs and, in some cases, determining whether applicants meet the basic eligibility requirements of these other programs.

SUPPLEMENTARY INFORMATION: This collection is in accordance with FEMA's

responsibilities under 44 CFR section 206.3 to provide an orderly and continuing means of assistance by the Federal Government to State and local governments. The assistance provided helps to alleviate the suffering and damage that result from major disasters and emergencies. Under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended, FEMA may provide assistance to meet immediate threats to life and property or provide for temporary housing resulting from a major disaster. Under the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, FEMA determines eligibility for disaster assistance through verification of citizenship or qualified alien status.

Collection of Information:

Type of Information Collection: Reinstatement with change of a previously approved collection.

OMB Number: 3067-0009.

Abstract: The information serves as the application for FEMA's Disaster Housing Program and the Individual and Family Grant Program and is relayed to other Federal and State agencies administering disaster relief programs appropriate to the applicant's needs. Without this information, eligibility for disaster assistance cannot be determined. The information is obtained by telephone calls to the Teleregistration Center or from a face-to-face interview. Applicants are provided a statement regarding the Privacy Act and they sign a statement certifying the accuracy of their information. They also sign a statement reflecting their United States citizenship or qualified alien status.

Affected Public: The forms are used only in Presidentially declared major disasters or emergencies to allow individuals, farmers, small business owners, private non-profit organizations to apply for Federal disaster assistance and to be referred to other appropriate State and local agencies.
