

official government statistics on employment and unemployment for over 50 years. Collection of labor force data through the CPS is necessary to meet requirements in Title 29, United States Code, Section 1 through 9. The Veterans Supplement meets the demands of Public Law 100-323, Section 9 (38 U.S.C. 2010A), as amended by Public Law 103-446, Section 701c, which mandates the Department of Labor to report on the labor force status of disabled veterans, Vietnam-theater veterans, and recently discharged veterans.

The Veterans Supplement provides information on the number and characteristics of disabled veterans, veterans who served in the Vietnam war theater, and recently separated veterans, including their employment status. The supplement provides data on veterans' participation in various employment training programs.

These data will be used by the Veterans Employment and Training Service and the Department of Veterans Affairs to determine policies that better meet the needs of our Nation's veteran population.
