DEPARTMENT OF JUSTICE

Antitrust Division

United States v. AT&T Corp. and Tele-Communications, Inc.; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16 (b) through (h), that a proposed Final Judgment, Stipulation, and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States v. AT&T Corporation and Tele-Communications, Inc.*, Civil No. 1:98CV03170.

On December 30, 1998, the United States filed a Complaint alleging that the proposed acquisition by AT&T Corporation of Tele-Communications, Inc. would violate section 7 of the Clayton Act, 15 U.S.C. 18. The Complaint alleges that AT&T is the largest provider of mobile wireless telephone services in the United States, and that Tele-Communications, Inc. owns a 23.5 percent equity interest in the mobile wireless telephone business of Sprint Corporation. The Complaint further alleges that if consummated, the acquisition may substantially lessen competition in the provision of mobile wireless telephone services in many geographic areas throughout the United States. The proposed Final Judgment, filed at the same time as the Complaint, requires AT&T Corporation to divest its interest in the mobile wireless telephone business of Sprint Corporation.

Public comment is invited within the statutory 60-day comment period. Such comments, and responses thereto, will be published in the **Federal Register** and filed with the Court. Comments should be directed to Donald J.
