Dan River, Inc., Spindale Plant, Spindale, NC, New York, NY; Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on December 14, 1998, applicable to workers of Dan River, Inc., Spindale Plant located in Spindale, North Carolina. The notice will be published soon in the **Federal Register**.

At the request of the company, the Department reviewed the certification for workers of the subject firm. New information shows that worker separations have occurred at New York, New York location of Dan River, Inc. The New York, New York location was the sales office for Dan River's production facilities including Spindale, North Carolina. The workers were engaged in employment related to the production of textile fabrics.

The intent of the Department's certification is to include all workers of Dan River, Inc. who were adversely affected by increased imports of textile fabrics. Accordingly, the Department is amending the certification to cover the workers of Dan River, Inc., New York, New York.

The amended notice applicable to TA-W-35,203 is hereby issued as follows:

All workers of Dan River, Inc., Spindale Plant, Spindale, North Carolina (TA-W-35,203) and New York, New York (TA-W-35,203A) who became totally or partially separated from employment on or after November 5, 1997 through December 14, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 21st day of January, 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

GE Lighting, Providence Base Plant, Providence, Rhode Island; Notice of Revised Determination on Reopening

On January 14, 1999, the International Union of Electronic, Electrical, Technical, Salaried, and Machine Workers, AFL-CIO, requested administrative reconsideration of the Department's Negative Determination Regarding Eligibility To Apply For Worker Adjustment Assistance for workers and former workers of the GE Lighting, Providence Base Plant, Providence, Rhode Island.

The initial investigation resulted in a negative determination issued on October 23, 1998, because imports did not contribute importantly to the worker separations. The notice was published in the **Federal Register** on December 16, 1998 (63 FR 69312).

New information submitted to the Department by the subject firm indicates that the company has shifted production to Mexico and is importing into the U.S. like or directly competitive articles which were previously produced at the subject facility.

Conclusion

After careful consideration of the new facts obtained on reopening, it is concluded that increased imports of articles like or directly competitive with lamp bases produced by the subject firm contributed importantly to the decline in sales and to the total or partial separation of workers of the subject firm. In accordance with the provisions of the Trade Act of 1974, I make the following revised determination:

All workers of GE Lighting, Providence Base Plant, Providence, Rhode Island who became totally or partially separated from employment on or after July 14, 1997 through

two years from the date of certification are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 29th day of January 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

Geneva Steel, Vineyard, UT, Including Workers of Voest-Alpine Services & Technologies Corp., Lindon, UT; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on October 23, 1998, applicable to all workers of Geneva Steel located in Vineyard, Utah. The notice was published in the **Federal Register** November 10, 1998 (63 FR 63087).

At the request of the petitioners, the Department reviewed the certification for workers of the subject firm. New information shows that employees of Voest-Alpine Services & Technologies Corp., Lindon, Utah were employed by Geneva Steel to maintain and refurbish steel casting equipment used in the production of steel products (plates, sheets, coils and pipes) at the Vineyard, Utah facility. Worker separations occurred at Voest-Alpine Services as a result of workers separations at Geneva Steel.

Based on these findings, the Department is amending the certification to include workers of Voest-Alpine Services & Technologies Corp., Lindon, Utah employed at Geneva Steel, Vineyard, Utah.

The intent of the Department's certification is to include all workers of Geneva Steel adversely affected by imports.

The amended notice applicable to TA-W-35,034 is hereby issued as follows:

All workers of Geneva Steel, Vineyard, Utah and workers of Voest-Alpine Services & Technologies Corp., Lindon, Utah engaged in employment related to maintaining and refurbishing steel casting equipment for the production of steel products at Geneva Steel, Vineland, Utah who became totally or partially separated from employment on or

after September 18, 1997 through October 23, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 25th day of January, 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

TRW/BDM-Petroleum Technologies; Bartlesville, OK, BDM-Oklahoma, Inc., Bartlesville, OK; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on October 28, 1998, applicable to workers of TRW/BDM-Petroleum Technologies located in Bartlesville, Oklahoma. The notice was

published in the **Federal Register** on December 4, 1998 (63 FR 67140).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers provide oilfield services related to the exploration and production of crude oil and natural gas. New information shows that worker separations occurred at BDM-Oklahoma, Inc., Bartlesville, Oklahoma when it closed in December 1998. The workers provided technical support (i.e. research, data analysis & studies) used in oilfield services provided by TRW/BDM-Petroleum Technologies, Bartlesville, Oklahoma.

Accordingly, the Department is amending the certification to cover the workers of BDM-Oklahoma, Bartlesville, Oklahoma.

The intent of the Department's certification is to include all workers of TRW/BDM-Petroleum Technologies who were adversely affected by increased imports.

The amended notice applicable to TA-W-35,032 is hereby issued as follows:

All workers of TRW/BDM-Petroleum Technologies (TA-W-35,032) and BDM-Oklahoma, Inc., Bartlesville, Oklahoma (TA-W-35,032A) who became totally or partially separated from employment on or after September 15, 1997 through October 28, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 29th day of January 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

Voest-Alpine Service & Technologies Corp. Lindon, UT; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on December 14, 1998 in response to a worker petition which was filed on behalf of workers at Voest-Alpine Services & Technologies Corp., Lindon, Utah.

An active certification covering the petitioning group of workers is already in effect (TA-W-35,034). Consequently, further investigation in this case would

serve no purpose, and the investigation has been terminated.

Signed in Washington, DC, this 25th day of January 1999.

Investigations Regarding Certifications of Eligibility To Apply for NAFTA Transitional Adjustment Assistance

Petitions for transitional adjustment assistance under the North American Free Trade Agreement-Transitional Adjustment Assistance Implementation Act (P.L. 103-182), hereinafter called (NAFTA-TAA), have been filed with State Governors under Section 250(b)(1) of Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended, are identified in the Appendix to this Notice. Upon notice from a Governor that a NAFTA-TAA petition has been received, the Acting Director of the Office of Trade Adjustment Assistance (OTAA), Employment and Training Administration (ETA), Department of Labor (DOL), announces the filing of the petition and takes action pursuant to paragraphs (c) and (e) of Section 250 of the Trade Act.

The purpose of the Governor's actions and the Labor Department's investigations are to determine whether the workers separated from employment on or after December 8, 1993 (date of enactment of P.L. 103-182) are eligible to apply for NAFTA-TAA under Subchapter D of the Trade Act because of increased imports from or the shift in production to Mexico or Canada.

The petitioners or any other persons showing a substantial interest in the subject matter of the investigations may request a public hearing with the Acting Director of OTAA at the U.S. Department of Labor (DOL) in Washington, D.C. provided such request is filed in writing with the Acting Director of OTAA not later than February 22, 1999.

Also, interested persons are invited to submit written comments regarding the subject matter of the petitions to the Acting Director of OTAA at the address shown below not later than February 22, 1999.
