[Docket No. FRA-1999-6404]

Petition for Grandfathering of Noncompliant Equipment; National Railroad Passenger Corporation; Extension of Comment Period

On October 18, 1999, the National Railroad Passenger Corporation (Amtrak) petitioned the Federal Railroad Administration (FRA) for grandfathering of non-compliant passenger equipment manufactured by Renfe Talgo of America (Talgo) for use on rail lines between Vancouver, British Columbia and Eugene, Oregon; between Las Vegas, Nevada and Los Angeles, California; and between San Diego, California and San Luis Obispo, California. Notice of receipt of such petition was published in the **Federal Register** on November 2, 1999, at 64 FR

59230. Interested parties were invited to comment on the petition before the end of the comment period of December 2, 1999.

Through published notice in the **Federal Register**, FRA has extended the comment period in this proceeding and explained the reasons therefor. FRA most recently extended the comment period until February 22, 2000. See 65 FR 5723; Feb. 4, 2000. By this notice, FRA announces that the comment period in this proceeding will remain open to permit the resolution of issues involving an ongoing Freedom of Information Act (FOIA) request for information related to this proceeding. See 65 FR 2223; Jan. 13, 2000. By separate notice, FRA will publicly announce in the Federal Register the final closing date of the comment period in this proceeding. FRA will set that closing date at least ten days after the date such notice is published to permit the requester and any others sufficient time in which to analyze any further documents that may be released by FRA. FRA will place in the docket a copy of any documents provided to the FOIA requester.

Amtrak's petition, documents inserted in the docket, and all written communications concerning this proceeding are available for examination during regular business hours (9:00 a.m. to 5:00 p.m.) at DOT Central Docket Management Facility, Room PL–401 (Plaza Level), 400 Seventh, S.W., Washington, D.C. 20590–0001. All documents in the public docket are also available for inspection and copying on the Internet at the docket facility's Web site at http://dms.dot.gov.

Issued in Washington, D. C. on February 22, 2000.

Office of Hazardous Materials Safety; Notice of Applications for Modification of Exemption

**AGENCY:** Research and Special Programs Administration, DOT.

**ACTION:** List of Applications for Modification of Exemptions.

**SUMMARY:** In accordance with the procedures governing the application for, and the processing of, exemptions from the Department of Transportation's Hazardous Materials Regulations (49 CFR Part 107, Subpart B), notice is hereby given that the Office of Hazardous Materials Safety has received the applications described herein. This notice is abbreviated to expedite docketing and public notice. Because the sections affected, modes of transportation, and the nature of application have been shown in earlier Federal Register publications, they are not repeated here. Requests for modifications of exemptions (e.g., to provide for additional hazardous materials, packaging design changes, additional mode of transportation, etc.) are described in footnotes to the application number. Application numbers with the suffix "M" denote a modification request. These applications have been separated from the new applications for exemptions to facilitate processing.

**DATES:** Comments must be received on or before March 15, 2000.

ADDRESS COMMENTS TO: Records Center, Research and Special Programs Administration, U.S. Department of Transportation, Washington, DC 20590.

Comments should refer to the application number and be submitted in triplicate. If confirmation of receipt of comments is desired, include a self-addressed stamped postcard showing the exemption number.

## FOR FURTHER INFORMATION CONTACT:

Copies of the applications are available for inspection in the Records Center, Nassif Building, 400 7th Street, SW., Washington, DC or at http://dms.dot.gov.

This notice of receipt of applications for modification of exemptions is published in accordance with Part 107 of the Federal hazardous materials transportation law (49 U.S.C. 5117(b); 49 CFR 1.53(b)).

Issued in Washington, DC, on February 22, 2000.
