

telephone number, facsimile number and e-mail address (optional), contact person if different than applicant, and a signed agreement concerning the terms and conditions of the electronic filing program. Applicants will receive, depending on applicant type, some or all of the following: electronic signature; filer identification number; personal identification number; encryption key; electronic filing identification number; password; and software developer ID. Applicants will use these codes, as applicable, in connection with electronic filing, electronic transmission, or developing EFAST software for the Form 5500 and 5500-EZ.

EFAST-1 information will also establish a means of contact between the EFAST program and filers, transmitters, and software developers for information exchange.
