

additional costs to State, local, or tribal governments, or to the private sector, result from this action.

*G. Submission to Congress and the Comptroller General*

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. This rule is not a "major rule" as defined by 5 U.S.C. 804(2).

*H. National Technology Transfer and Advancement Act*

Section 12 of the National Technology Transfer and Advancement Act (NTTAA) of 1995 requires Federal agencies to evaluate existing technical standards when developing a new

regulation. To comply with NTTAA, EPA must consider and use "voluntary consensus standards" (VCS) if available and applicable when developing programs and policies unless doing so would be inconsistent with applicable law or otherwise impractical.

The EPA believes that VCS are inapplicable to this action. Today's action does not require the public to perform activities conducive to the use of VCS.

*I. Petitions for Judicial Review*

Under section 307(b)(1) of the CAA, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by May 9, 2000. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this rule for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. This action may not be challenged later in proceedings to enforce its requirements. (See section 307(b)(2).)

[Docket No. FR-4291-C-03]

**RIN 2535-AA25**

**HUD Acquisition Regulation; Technical Correction**

**AGENCY:** Office of the Chief Procurement Officer (CPO).

**ACTION:** Final rule; correction.

**SUMMARY:** This document makes a technical correction to a final rule that amended the Department of Housing and Urban Development (HUD) Acquisition Regulation (HUDAR) by restoring language that had been inadvertently removed.

**DATES:** *Effective Date:* February 22, 2000.

**FOR FURTHER INFORMATION CONTACT:** Frederick Graves, Policy and Field Operations Division, Office of Procurement and Contracts (Seattle Outstation), U.S. Department of Housing and Urban Development, Seattle Federal Office Building, 909 1st Avenue, Seattle, WA 98104-1000, telephone (206) 220-5122 extension 3450, FAX (206) 220-5406. Persons with hearing or speech

impairments may access that number via TTY by calling the Federal Information Relay Service at (800) 877-8339.

**SUPPLEMENTARY INFORMATION:** On January 21, 2000, HUD published a final rule (65 FR 3576) that made several amendments to the HUDAR at 48 CFR chapter 24. In the revision of 48 CFR 2409.507-2 by this rule, HUD inadvertently replaced the existing paragraph with a new paragraph, rather than adding the new paragraph to the existing paragraph. This document corrects that error.

Accordingly, under the authority of 40 U.S.C. 486(c), 42 U.S.C. 3535(d), FR Doc. 00-531, the final rule amending the HUD Acquisition Regulation,

published in the **Federal Register** on January 21, 2000 (65 FR 3576), is amended as follows:

1. On page 3576, in column 3, section 2409.507-1 is corrected to read as follows:

**2409.507-2 Contract clauses.**

The Contracting Officer shall insert a clause substantially the same as the

clause at 48 CFR 2452.209-71, Limitation on Future Contracts, in all contracts above the simplified acquisition threshold. The Contracting Officer shall describe in the clause the nature of the potential conflict, and the negotiated terms and the duration of the limitation. The Contracting Officer shall insert the clause at 2452.209-72,

Organizational Conflicts of Interest, in all contracts.

Dated: March 3, 2000.
