[Docket No. MARAD-2000-7020]

Information Collection Available for Public Comments and Recommendations

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the Maritime Administration's (MARAD) intentions to request approval for three years of an existing information collection entitled, "Approval of Underwriters for Marine Hull Insurance."

DATES: Comments should be submitted on or before May 9, 2000.

FOR FURTHER INFORMATION CONTACT: Otto A. Copies of this collection can be obtained from that office.

SUPPLEMENTARY INFORMATION:

Title of Collection: "Approval of Underwriters for Marine Hull Insurance".

Type of Request: Approval of an existing information collection.

OMB Control Number: 2133-0517.

Form Number: None.

Expiration Date of Approval: Three years from the date of approval.

Summary of Collection of Information: This collection of information involves the approval of

marine hull underwriters to insure MARAD program vessels. Foreign applicants will be required to submit financial data upon which MARAD approval would be based. In certain cases, brokers would be required to certify that American underwriters were offered opportunity to compete for the business.

Need and Use of the Information: 46 CFR Part 249, published as a final rule on June 20, 1988, prescribes regulations for approval of underwriters for marine hull insurance on vessels built or operated with subsidy or covered by vessel obligation guarantees issued pursuant to Title XI of the Merchant Marine Act, 1936, as amended. The regulations provide for approval of foreign underwriters on the basis of an assessment of their financial condition, the regulatory regime under which they operate, and a statement attesting to a lack of discrimination in their country against U.S. hull insurers. The regulations also require that American underwriters be given an opportunity to compete for every placement, thereby necessitating in some cases certification that such opportunity was offered.

Description of Respondents: Foreign underwriters of marine insurance and insurance brokers.

Annual Responses: 62 responses.

Annual Burden: 46 hours.
