Point Facilities). El Paso states that these facilities were required by El Paso to facilitate the sale and delivery of natural gas to Westar for resale to Energas Company, a Division of Atmos Energy Corporation (Energas), a local distribution company. El Paso further states that El Paso owns, operates and maintains the 4½-inch O.D., Fuel Line from Phillips-Seninole Plant to Riley Compressor Station (Line No. 6018), commencing in the Section 328, C.C.S.D. & R.G.N.G.R.R. El Paso reports that El Paso and GPM have agreed to the conveyance of line No. 6018 to GPM contingent upon El Paso's abandonment of the Delivery Point Facilities and the natural gas service they provide. El Paso further reports that by letter agreement dated October 21, 1999, Westar and Energas have consented to abandonment of the Delivery Point Facilities and GPM and Westar will provide natural gas service, pursuant to appropriate State regulatory requirements.

El Paso states that the abandonment would not cause any material change in El Paso's cost of service. El Paso continues the proposed abandonment would not result in or cause any interruption, reduction or termination of the transportation service presently rendered to the customers of the Delivery Point Facilities.
