

to more projects, since the requests far exceed the funding available.

11. **Commitment of Other Funds**—Indicate the amounts and sources of any private or other public funding being provided as part of this project. Only indicate those amounts of funding that are firm and documented commitments from the entity controlling the funds.

12. **Previous FBD Discretionary Funding**—Indicate the amount and Federal fiscal year of any previous FBD discretionary funds received for this project, terminals or ferry boats operating on this route or transit system. Only include previous FBD discretionary funds, not other funding sources.

13. **Future Funding Needs**—Indicate the estimated future funding needs for the ferry boat operation, including vessels and terminals, if known. Also, provide estimated time schedules for implementing future projects.

14. **Project Purpose and Benefits**—Each State's request for ferry boat discretionary funds must describe the project benefits and purpose. This information should not be lengthy, it should be in short and concise (three to five) statements. Layman's language should be used to the extent possible so as to be understood by a reader that is not closely familiar with the highway and ferry boat operations. This information will also be used for briefings and bulletins.

15. **Project Area Map**—A readable location/vicinity map showing the ferry route and terminal connections is helpful if available. The map may be submitted electronically along with the candidate application or separately as a hard copy (black and white, letter or legal paper size).

Tuscola and Saginaw Bay Railway Company—Acquisition and Operation Exemption—Grand Trunk Western Railroad Incorporated, and Central Michigan Railway Company

Tuscola and Saginaw Bay Railway Company (TSBY), a Class III common carrier, has filed a verified notice of exemption under 49 CFR 1150.41 for its acquisition of a Grand Trunk Western Railroad Incorporated (GTW) rail line extending from milepost 105.0 to milepost 109.46, in Owosso, MI, including a short connecting track extending from milepost 63.9 (approximately milepost 107.5 on the first segment) to milepost 64.4, in Owosso, a total distance of approximately 4.96 miles (Owosso Trackage).¹ Additionally, as part of the exemption, TSBY's seeks to continue operations on the Durand-Owosso Line as follows: (1) Over GTW's line between milepost 94.0 and milepost 97.5, in Durand; (2) over Central Michigan Railway Company's (CMGN) main line between milepost 97.5, in Durand, and milepost 105, in Owosso; and (3) within CMGN's San Yard, between milepost 105 and milepost 106, in Owosso. The total distance of TSBY's operations on the Durand-Owosso Line is approximately 12 miles.²

¹ TSBY states that it acquired the Owosso Trackage pursuant to a Real Estate Purchase Contract dated October 28, 1997, and that the acquisition was completed on January 5, 1998. TSBY further states that it has been operating the Owosso Trackage in conjunction with other TSBY lines radiating out of Owosso since 1982 and that it will continue to operate the Owosso Trackage.

² TSBY represents that it has been conducting only overhead operations on the Durand-Owosso Line pursuant to an Operating Agreement with the Michigan Department of Transportation dated

Apparently unaware until recently that further regulatory authorization was needed, TSBY did not file its verified notice of exemption with the Board until March 30, 2000. Thus, the effective date of the exemption is April 6, 2000 (7 days after the exemption was filed).

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke does not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 33822, must be filed with the Surface Transportation Board, Office of the Secretary, Case Control Unit, 1925 K Street, N.W., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Kevin M. Sheys, Esq., Oppenheimer Wolff Donnelly & Bayh LLP, 1350 Eye Street, N.W., Suite 200, Washington, DC 20005-3324.

Board decisions and notices are available on our website at "WWW.STB.DOT.GOV."
