E. What Should I Consider as I Prepare My Comments for EPA?

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. If you estimate potential burden or costs, explain how you arrived at the estimate that you provide.
5. Provide specific examples to illustrate your concerns.
6. Offer alternative ways to improve the notice or collection activity.
7. Make sure to submit your comments by the deadline in this notice.
8. To ensure proper receipt by EPA, be sure to identify the docket control number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

II. Background

A. What Guidance Does this PR Notice Provide?

The PR Notice provides revised recommended first aid instructions for all pesticide products, unless they are determined to be medically inappropriate. Some of the major changes include revising the ingestion first aid statements so that inducing vomiting is only recommended by a doctor or poison control center, not the label; the first aid statements are now the same for all toxicity categories; the instructions have been revised to be easier to understand and, in some cases, more explicit. The heading "First Aid" is being recommended for use in place of "Statement of Practical Treatment." In addition, a format using non-narrative text and a box or table to highlight the information is being suggested. The PR Notice provides separate instructions for products containing petroleum distillates. The

recommendation is now being made to avoid ingesting any water (or other liquids) for these products, unless data shows it is advantageous.

While the PR Notice is effective now, we will accept comments for 30 days. If the PR Notice is revised, EPA will issue an updated notice.

B. Why is a PR Notice Guidance and Not a Rule?

The PR Notice discussed in this notice is intended to provide guidance to EPA personnel and decision-makers, and to the public. As a guidance document and not a rule, this policy is not binding on either EPA or any outside parties. Although this guidance document provides a starting point for EPA decisions, EPA will depart from this policy where the facts or circumstances warrant. In such cases, EPA will explain why a different course was taken. Similarly, outside parties remain free to assert that this policy is not appropriate for a specific pesticide or that the specific circumstances demonstrate that this policy should be abandoned.

EPA has stated in this notice that it will make available revised guidance after consideration of public comment, if necessary. Public comment is not being solicited for the purpose of converting this guidance document into a binding rule. EPA will not be codifying this policy in the Code of Federal Regulations. EPA is allowing for comments so as to ensure the revised guidance is complete and medically accurate.

The "revised" guidance will not be an unalterable document. Once a "revised" guidance document is issued, EPA will continue to treat it as guidance, not a rule. Accordingly, on a case-by-case basis, EPA will decide whether it is appropriate to depart from the guidance or to modify the overall approach in the guidance. In the course of commenting on this guidance document, EPA would welcome comments that specifically address how the guidance document can be structured so that it provides meaningful guidance without imposing binding requirements.

Prospective Purchaser Agreement and Covenant Not To Sue Under the Comprehensive Environmental Response, Compensation, and Liability Act Regarding the Yurgin Motors Superfund Site, Mantua Township, NJ

AGENCY: Environmental Protection Agency.

ACTION: Notice of proposed prospective purchaser agreement and request for public comment.

SUMMARY: In accordance with Section 122(i) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9601 *et seq.*, the U.S. Environmental Protection Agency ("EPA") announces a proposed administrative settlement with the Matthew F. Guzzo (The "Settling Party"), a "prospective purchaser" of the Yurgin Motors Superfund Site ("Site") in Mantua Township, New Jersey. The proposed administrative settlement is memorialized in an Agreement And Covenant Not To Sue ("Agreement") between EPA and Matthew F. Guzzo. By this Notice, EPA is informing the public of the proposed settlement and of the opportunity to comment.

In 1996 EPA performed a CERCLA removal action at the Site, a wooded lot of some 26 acres in a residential area. The previous owner operated an automotive repair facility at the Site, leaving behind various waste materials containing hazardous substances. During the removal action EPA removed drums, compressed gas cylinders, small containers containing corrosive and ignitable wastes, PCBs, and halogenated solvents from the Site. Now abandoned, the Site is an eyesore with dilapidated buildings and has attracted trash dumpers. Mr. Guzzo has pledged to demolish the buildings, clean up the Site, and remove two empty underground storage tanks. EPA believes this settlement serves the public interest because the Site will be restored to a useful condition.

Under the agreement, Matthew Guzzo will pay \$6,500 to EPA and in return will receive a covenant not to sue from the United States for civil liabilities pursuant to Sections 106 and 107(a) of CERCLA, 42 U.S.C. 9606 and 9607(a), with the respect to existing contamination present at the Site.

EPA will consider any comments received during the comment period

and may withdraw or withhold consent to the proposed settlement if any comments provide information which indicates the proposed settlement is inappropriate, improper, or inadequate. EPA's response to any comments received will be available for public inspection at the U.S. Environmental Protection Agency, Office of Regional Counsel, 290 Broadway, 17th Floor, New York, New York 10007-1866. Telephone: (212) 637-3142.

Pursuant to EPA guidance, the Agreement may not be issued without the concurrence of the Assistant Attorney General for Environment and natural resources of the U.S. Department of Justice. The Assistant Attorney general has approved the proposed Agreement in writing.

DATES: Comments must be provided within May 19, 2000.

ADDRESSES: Comments should be sent to the U.S. Environmental Protection Agency, Office of Regional Counsel, 290 Broadway, 17th Floor, New York, NY 10007-1866 and should refer to: the Yurgin Motors Superfund Site, U.S. EPA Docket No. II-CERCLA 99-0104.

FOR FURTHER INFORMATION CONTACT: U.S. Environmental Protection Agency, Office of Regional Counsel, 290 Broadway, 17th Floor, New York New York 10007-1866. Telephone: (212) 637-3142.

SUPPLEMENTARY INFORMATION: A copy of the proposed administrative settlement may be obtained in person or by mail from Neil Norrell, U.S. Environmental Protection Agency, 2890 Woodbridge Avenue Edison, New Jersey 08837-3679. Telephone: (732) 321-4357.

Dated: April 6, 2000.
