ENVIRONMENTAL PROTECTION AGENCY

[FRL-6584-3]

Clean Water Act Class II: Proposed Administrative Penalty Assessment and Opportunity to Comment Regarding Colrich Communities, Inc.

AGENCY: Environmental Protection Agency ("EPA").

ACTION: Notice.

SUMMARY: EPA is providing notice of a proposed administrative penalty assessment for alleged violations of the Clean Water Act ("Act"). EPA is also providing notice of opportunity to comment on the proposed assessment.

EPA is authorized under section 309(g) of the Act, 33 U.S.C. 1319(g), to assess a civil penalty after providing the person subject to the penalty notice of the proposed penalty and the opportunity for a hearing, and after providing interested persons notice of the proposed penalty and a reasonable opportunity to comment on its issuance. Under section 309(g), any person who without authorization discharges a

pollutant to a navigable water, as those terms are defined in section 502 of the Act, 33 U.S.C. 1362, may be assessed a penalty in a "Class II" administrative penalty proceeding.

Class II proceedings under section 309(g) are conducted in accordance with the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits," 40 CFR part 22 ("Consolidated Rules"), published at 64 FR 40138, 40177 (July 23, 1999). The procedures through which the public may submit written comment on a proposed Class II order or participate in a Class II proceeding, and the procedures by which a respondent may request a hearing, are set forth in the Consolidated Rules. The deadline for submitting public comment on a proposed Class II order is thirty (30) days after publication of this document.

Procedures by which the public may comment on a proposed Class II penalty or participate in a Class II penalty proceeding are set forth in the Consolidated Rules. The deadline for submitting public comment on a proposed Class II penalty is thirty (30) days after issuance of public notice. The Regional Administrator of EPA, Region 9, may issue an order upon default if the respondent in the proceeding fails to file a response within the time period specified in the Consolidated Rules.

FEDERAL COMMUNICATIONS COMMISSION

[FCC 00-105]

Maritime Communications

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: The Commission extends forbearance from the Communications Act of 1934, as amended, requirement which forbids the assignment of a radio license or transfer of control of a radio licensee corporation without obtaining prior Commission consent to Public Coast Stations that are licensed and regulated under the Commission's Rules because these stations provide telecommunications for a fee directly to the public.

FOR FURTHER INFORMATION CONTACT:

Keith Fickner or Ghassan Khalek, Policy and Rules Branch, Public Safety and Private Wireless Division, Wireless Telecommunications Bureau at (202) 418-0680.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's *Memorandum Opinion and Order*, WT Docket No. 00-48, FCC 00-105, adopted March 17, 2000, and released on March 24, 2000. The full text of this *Memorandum Opinion and Order* is available for inspection and copying during normal business hours in the FCC Reference Center, Room CY-A257, 445 12th Street, SW, Washington, DC.

The complete text may be purchased from the Commission's copy contractor, International Transcription Service, Inc., 1231 20th Street, NW, Washington, DC 20037. The full text may also be downloaded at: www.fcc.gov/Bureaus/Wireless/Notices/2000/fcc00105.doc. Alternative formats are available to persons with disabilities by contacting Martha Contee at (202) 418-0260 or TTY (202) 418-2555.

In this *Memorandum Opinion and Order*, the Commission refers to Section 310(d) of the Communications Act, which forbids the assignment of a radio license or transfer of control of a radio licensee corporation without obtaining prior Commission consent. On February 4, 1998, the Commission held that there was sufficient justification in the record to forbear from enforcing the requirements of Section 310(d) of the Communications Act as they apply to all telecommunications carriers licensed by the Wireless Telecommunications Bureau (Bureau). However, as noted by WJG MariTEL Corporation (MariTEL), when the Commission listed the categories of telecommunications carriers who were licensed by the Bureau, it did not include telecommunications carriers licensed and regulated under Part 80 of the Commission's Rules. Under the Commission's Rules, licenses in the Maritime (ship) Radio Services may not be assigned. Therefore, Maritime (ship) Radio Services licenses are not subject to Section 310(d) of the Communications Act. On the other hand, Public Coast Stations, which are located on land, may be assigned under the Commission's Rules. Accordingly, the Commission will grant MariTEL's request and will extend forbearance from the requirements of Section 310(d) of the Communications Act for pro forma applications to telecommunications carriers licensed and regulated under Part 80 of the Commission's Rules because these carriers provide telecommunications for a fee directly to the public.

Federal Communications Commission.

Secretary.
