Notice of Amended Final Determination of Sales at Less Than Fair Value: Certain Polyester Staple Fiber From Taiwan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On March 30, 2000, the Department of Commerce published its final determination of sales at less than fair value of certain polyester staple fiber from Taiwan (see 65 FR 16877). The petitioners and Nan Ya Plastics Corporation filed allegations of ministerial errors with respect to the calculations for Nan Ya Plastics Corporation.

Based on our analysis of the comments received, we have made changes in the margin calculations for Nan Ya Plastics Corporation and the all others rate. The final weighted-average dumping margin for Nan Ya Plastics Corporation is now 5.77 percent and the all others rate is 7.53 percent.

EFFECTIVE DATE: April 27, 2000.

¹ Petitioners withdrew their request for a review of Stelco under both orders. Stelco did not request that its sales be reviewed. National withdrew its request to be reviewed. Petitioners did not request that National be reviewed.

² We inadvertently failed to include Gerda MRM Steel in our October 1, 1999 notice.

This merchandise is cut to lengths varying from one inch (25 mm) to five inches (127 mm). The merchandise subject to this investigation may be coated, usually with a silicon or other finish, or not coated.
