#### Proposed Projects

1. PHS Supplements to the Application for Federal Assistance—SF 424 (0920-0428)—Extension—The Centers for Disease Control and Prevention (CDC) is requesting a three-year extension for continued use of the Supplements to the Request for Federal Assistance Application (SF-424). The Checklist, Program Narrative, and the Public Health System Impact Statement

(third party notification) (PHSIS) are a part of the standard application for State and local governments and for private non-profit and for-profit organizations when applying for financial assistance from PHS grant programs. The Checklist assists applicants to ensure that they have included all required information necessary to process the application. The Checklist data helps to reduce the time required to process and review grant applications, expediting the issuance of grant awards. The PHSIS Third Party Notification Form is used to inform State and local health agencies of community-based proposals submitted by non-governmental applicants for Federal funding. We also requesting the use of a new CDC form (CDC 0.1113) to be used once an award is granted. This form will provide CDC specific assurances after an award is granted. Total annual hours burden are 31,204.

#### Submission for OMB Review; Comment Request

*Title:* Low Income Home Energy Assistance Program (LIHEAP) Leveraging Report.  
*OMB No.:* 0970-0121.

*Description:* The LIHEAP leveraging incentive program rewards LIHEAP grantees that have leveraged nonfederal home energy resources for low income households. The LIHEAP leveraging report is the application for leveraging incentive funds that these LIHEAP grantees submit to HHS for each fiscal year in which they leverage countable resources. Participation in the leveraging incentive program is voluntary. The Leveraging report obtains information on the resources leveraged by LIHEAP grantees each fiscal year (as cash, discounts, waivers, and in-kind); the benefits provided to low income households by these resources (for example, as fuel and payments for fuel, as home heating and

cooling equipment, and is weatherization materials and installation); and the fair market value of these resource/benefits. HHS needs this information in order to carry out statutory requirements for administering the LIHEAP leveraging incentive program, to determine countability and valuation of grantees' leveraged nonfederal home energy resources, and to determine grantees' shares of leveraging incentive funds. HHS proposes to request a 3-year extension of OMB approval for the currently approved LIHEAP leveraging report information collection.

*Respondents:* State and Tribal Governments.

*Annual Burden Estimates:*

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
LIHEAP leveraging Report .....	70	1	38	2,660
Estimated total annual burden hours .....				2,660

*Additional Information:* Copies of the proposed collection may be obtained by writing to The Administration for Children and Families, Office of Information Services, 370 L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer.
