### In the Matter of Certain Semiconductor Memory Devices and Products Containing Same; Notice of Commission Determination To Extend the Target Date for Completion of the Investigation

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined to extend the target date for completion of the above-captioned investigation by 45 days, or until Monday, June 26, 2000.

**FOR FURTHER INFORMATION CONTACT:** Clara Kuehn, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone (202) 205-3012. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>).

**SUPPLEMENTARY INFORMATION:** The Commission ordered the institution of this investigation on September 18, 1998, based on a complaint filed on behalf of Micron Technology, Inc., 8000 South Federal Way, Boise, Idaho 83707-0006 ("complainant"). The notice of investigation was published in the **Federal Register** on September 25, 1998, 63 FR 51372 (1998).

The presiding administrative law judge (ALJ) issued his final initial determination (ID) on November 29, 1999, concluding that there was no violation of section 337. He found that: (a) Complainant failed to establish the requisite domestic industry showing for any of the three patents at issue; (b) all asserted claims of the patents are invalid; (c) none of the asserted claims of the patents are infringed; and (d) all of the patents are unenforceable for inequitable conduct. On February 1, 2000, the Commission determined to review the final ID in its entirety and two procedural issues. The notice of the Commission decision to review the final ID was published in the **Federal Register** on February 7, 2000, 65 FR 5890 (2000). On February 15, 2000, respondents, complainant, and the Commission investigation attorney (IA) filed written submissions on the issues under review. Responsive submissions were filed on February 22, 2000.

On April 4, 2000, complainant Micron and respondents Mosel Vitelic, Inc. and Mosel Vitelic Corp. (collectively "Mosel") filed a joint motion to terminate the investigation by settlement and vacate the ID. The IA filed a response to the joint motion on April 14, 2000. The joint motion is currently pending before the Commission. The Commission determined that, given the pending joint motion, the target date for completion of the investigation should be extended until Monday, June 26, 2000. The previous target date for completion of this investigation was May 11, 2000.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 201.14, 210.6, and 210.51(a) of the Commission's Rules of Practice and Procedure (19 CFR 201.14, 210.6, and 210.51(a)).

Copies of the public version of all nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-2000.
