

1. Provisions of the Recreation and Public Purposes Act and to all applicable regulations of the Secretary of the Interior.

2. A right-of-way for ditches and canals constructed by the authority of the United States.

3. All minerals should be reserved to the United States, together with the right to prospect for, mine and remove the minerals.

Upon publication of this notice in the **Federal Register**, the lands will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease and conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested persons may submit written comments regarding the classification and proposed lease and conveyance of the lands to the Field Manager, San Juan Field Office, 15 Burnett Court, Durango, Colorado, 81301.

Classification Comments

Interested parties may submit comments involving the suitability of the land for a fire station. Comments on the classification are restricted to whether the land is suited for the proposal, whether the use will maximize the further use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments the classification will become effective 60 days from the date of publication of this notice in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Clyde Johnson, San Juan Field Office, phone (970) 385-1352. Documents pertinent to this proposal may be reviewed at the San Juan Field Office, 15 Burnett Court, Durango, Colorado.

Kent Hoffman,

Associate Field Manager.

Bureau of Reclamation

Bostwick Division, Frenchman-Cambridge Division, and Kanaska Division, Almena Unit Pick-Sloan Missouri Basin Program

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of availability of draft repayment and long-term water service contracts.

SUMMARY: Pursuant to the Act of July 2, 1956 (Administration of Contracts under Section 9, Reclamation Project Act of 1939), contractors of federally developed irrigation water hold a first right to renew long-term water service contracts and/or to convert water service contracts to repayment

contracts. Reclamation has entered into negotiations for contract renewal with irrigation districts in the Republican River basin in Nebraska and Kansas. A draft long-term water service contract has been developed for the Frenchman Valley Irrigation District. Draft repayment contracts have been developed for Bostwick Irrigation District in Nebraska, Kansas Bostwick Irrigation District No. 2, Frenchman-Cambridge Irrigation District, and Almena Irrigation District. The draft contracts are now available for public review and comment.

DATES: A 60-day public review and comment period commences with the publication of this notice. Written comments on the draft contracts should be submitted by July 17, 2000.

ADDRESSES: Written comments from interested parties should be submitted to Kent Heidt, GP-2100, Bureau of Reclamation, Great Plains Regional Office, Post Office Box 36900, Billings, MT 59107-6900 for consideration in the contract renewal process.

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public disclosure in their entirety.

You may request copies of the draft contracts from Jim Beadnell, GP-2100, Bureau of Reclamation, Great Plains Region, P.O. Box 36900, Billings, MT 59107-6900; telephone (406) 247-7731. See Supplementary Information section for additional addresses where the draft contracts are available for public inspection and review.

Drug Enforcement Administration

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: Notice of information collection under review; extension of a currently approved collection: Collection of Laboratory Analysis Data on Drug Samples Tested by Non-Federal (State and Local Government) Crime Laboratories.

This proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted until July 17, 2000. Written comments and suggestions are requested from the public and affected agencies concerning the proposed collection of information.

Your comments should address one or more of the following four points:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

If you have comments, suggestions, or need a copy of the proposed information collection instrument with instructions, if applicable, or additional information, please contact Frank L.
