increase the current water supply, although in insufficient amounts to meet the projected needs. These activities may include drilling additional water wells throughout Jackson County, constructing water transmission lines from existing resources, such as intermittent streams, within the County to the JCWA Treatment Plant, or water conservation.

The major environmental and human health and safety impacts that would result from implementation of the No Action alternative include: Significant, continued lack of recreation needs within Jackson County and the surrounding region; a moderately significant adverse impact on human health and safety due to an insufficient water supply; a significant impediment to growth of industry, residential devleopment, and employment in Jackson County; an impediment to other development goals of the EZ/EC; and a significant potential to adversely and disproportionately affect minority or low-income groups due to further economic degradation and due to adverse health impacts associated with an insuficient water supply.

On February 4 and March 31, 2000, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (65 F.R. 5492 and 17255) of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and impact of the additions on the current or most recent contractors, the Committee has determined that the commodities listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46–48c and 41 CFR 51–2.4.

### Submission for OMB Review; Comment Request

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Census Bureau.

*Title:* 2000 Panel of the Survey of Income and Program Participation, Wave 3.

*Form Number(s):* SIPP/CAPI Automated Instrument.

Agency Approval Number: 0607–0865.

*Type of Request:* Revision of a currently approved collection. *Burden:* 37,650.

Number of Respondents: 26,250.

Avg Hours Per Response: 30 minutes. Needs and Uses: The Census Bureau conducts the Survey of Income and Program Participation (SIPP) to collect information concerning the distribution of income received directly as money or indirectly as in-kind benefits. SIPP data are used by economic policymakers, the Congress, state and local governments, and Federal agencies that administer social welfare and transfer payment programs such as the Department of Health and Human Services, the Department of Housing and Urban Development, and the Department of Agriculture.

The SIPP is a longitudinal survey, in that households in the panel are interviewed at 4-month intervals or waves over the life of the panel. The duration of a panel is typically 3 to 4 years. The length of the 2000 SIPP Panel is subject to the approval of budget initiatives but is currently scheduled for one year and will include three waves of interviews.

The survey is molded around a central core of labor force and income questions, health insurance questions, and questions concerning government program participation that remain fixed throughout the life of the panel. The core questions are asked in Wave 1 and are updated during subsequent interviews. The core is supplemented with additional questions or topical modules designed to answer specific needs.

This request is for clearance of the topical modules for Wave 3. The core questionnaire and topical modules for Waves 1 and 2 were cleared previously. The topical modules for Wave 3 are: Medical Expenses and Utilization of Health Care (Adults and Children): Work Related Expenses and Child Support Paid; and Assets, Liabilities, and Eligibility. Wave 3 interviews will be conducted from October 2000 through January 2001. Additionally, a reinterview for quality control purposes will be conducted with a small subsample of respondents throughout the life of the panel.

*Affected Public:* Individuals or households.
