## SECURITIES AND EXCHANGE COMMISSION

[Rule 13f-1; SEC File No. 270-22; OMB  
Control No. 3235-0006]

### Existing Collection; Comment Request

Upon Written Request, Copies Available  
From: Securities and Exchange  
Commission, Office of Filings and  
Information Services, Washington, D.C.  
20549-0007.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 13(f)<sup>1</sup> of the Securities Exchange Act of 1934<sup>2</sup> (the "Exchange Act") empowers the Commission to: (1) Adopt rules that create a reporting and disclosure system to collect specific information; and (2) disseminate such information to the public. Rule 13f-1<sup>3</sup> under the Exchange Act requires institutional investment managers that exercise investment discretion over accounts—having in the aggregate a fair market value of at least \$100,000,000 of exchange-traded or NASDAQ-quoted equity securities—to file quarterly reports with the Commission on Form 13F.

The information collection requirements apply to institutional investment managers that meet the \$100 million reporting threshold. Section 13(f)(5) of the Exchange Act defines an "institutional investment manager" as any person, other than a natural person, investing in or buying and selling

securities for its own account, and any person exercising investment discretion with respect to the account of any other person. Rule 13f-1(b) under the Exchange act defines "investment discretion" for purposes of Form 13F reporting.

The reporting system required by Section 13(f) of the Exchange Act is intended, among other things, to create in the Commission a central repository of historical and current data about the investment activities of institutional investment managers, and to improve the body of factual data available to regulators and the public.

The Commission staff estimates that 2,108 respondents make approximately 8,949 responses under the rule each year. The staff estimates that on average, Form 13F filers spend 98.8 hours/year to prepare and submit the report. In addition, the staff estimates that 129 respondents file approximately 516 amendments each year. The staff estimates that on average, Form 13F filers spend 4 hours/year to prepare and submit amendments to Form 13F. The total annual burden of the rule's requirements for all respondents therefore is estimated to be 208,786.4 hours (2,108 filers × 98.8 hours) + (129 filers × 4 hours)).

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act. The estimate is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the collections of information are necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burdens of the collections of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burdens of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW, Washington, DC 20549-0004.

Dated: June 14, 2000.

*Deputy Secretary.*
