SUPPLEMENTARY INFORMATION: On Saturday August 28th, the Willow Fire started on U.S. Forest Service lands adjacent to BLM lands in the Juniper Flats area. The fire burned 63,486 acres, including approximately 16,000 acres of BLM land.

Natural resources comprising the local ecosystems were extensively damaged by the fire. The affected public land has been closed to human entry since the fire. Over the winter the vegetation began growing back. This indicates the natural systems are beginning to recover. The closure is now amended to exempt human access on the trail leading to the Deep Creek Hot Springs. The trail is well marked and is located in T.3N. R. 3W. Section 11.

In general, the closed public lands are east of Deep Creek Road, south of the Atchison Topeka and Sante Fe rail lines, west of Highway 18, and north of Deep Creek. The authority for this closure is 43 CFR 8364.1, 18 U.S.C. 3571. This closure only applies to those portions of the following sections burned during the Willow Fire: San Bernardino Base and Meridian, T.3N. R.1W. sections 2, 3, 4, 5 and 6; T.3N. R.2W. sections 1, 2, 3, 4, 5, 6, 7 and 8; T.3N. R.3W. sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12; T.4N. R.1W. sections 31 and 32; T.4N. R.2W. sections 26, 27, 28, 29, 31, 32, 33, 34 and 35; T.4N. R.3W. sections 21, 22, 23, 24, 25, 26, 27, 28, 30, 31, 32, 33, 34 and 35. If you fail to comply with this closure order you may be fined up to \$100,000.00 or be imprisoned for up to 12 months, or both.

You are exempt from this closure if you are engaged in one of these activities: law enforcement, emergency services, government business, or work to maintain utilities and infrastructure. You may be exempt if permitted by a BLM Authorizing Officer. You and your guests are exempt to access your residence or property if it is within the closed area. This closure only affects public lands. County roads and segments of roads through private lands are unaffected. You are exempt to use the portion of Bowen Ranch Road that is a County road. The exempt portion crosses public lands in section 31 of T.4N. R.2W., and sections 1, 11 and 12

of T.3N. R.3W., ending at the boundary of the Bowen Ranch.

Supplemental Rule Restricting Recreational Shooting to Protect Human Health and Safety in a Portion of Wonder Valley, California

AGENCY: Bureau of Land Management, Department of the Interior, Barstow Field Office, Desert District, California.

ACTION: On those public lands administered by the BLM and located within T.1 N., R.10 E., Sec 5 S½ and Sec 8 N½, San Bernardino Meridian, it is prohibited to fire any firearm. This supplemental rule does not affect the legitimate and legal pursuit of game or the discharge of a firearm for purposes of personal protection.

SUMMARY: In accordance with Title 43, Code of Federal Regulations Section 8365.1-6 the State Director may establish supplementary rules in order to provide for the protection of persons, property and public lands and resources. This authority was delegated to the District Managers and Field Managers pursuant to BLM Manual 1203, California Supplement.

Penalties: Failure to comply with this supplementary rule is punishable by a

fine not to exceed \$100,000 and/or imprisonment not to exceed twelve months.

DATES: The supplemental rule will take effect at midnight, August 1, 2000.

SUPPLEMENTARY INFORMATION: This supplemental rule was proposed to create a safer environment for residents living in northwestern Wonder Valley. Residents have complained that rounds from gunfire originating on public land has either caused property damage or nearly caused human injury. During a sixty-day comment period and an open house, many legitimate concerns regarding shooting in Wonder Valley surfaced. Comments received spanned the gamut between closing all of Wonder Valley to all shooting and taking no action. Consensus was, that by closing the 640-acres surrounding the Valle Vista uncontrolled shooting area in northwest Wonder Valley to shooting, the safety concerns of nearby citizens could be met while allowing recreational shooting to continue in other portions of Wonder Valley. The user group for the Valle Vista site will be redirected to controlled ranges or dispersed to contiguous blocks of public land on the fringes of Wonder Valley. This supplemental rule will not infringe upon Constitutional rights of an individual to own or possess a lawful firearm. The environmental effects of the supplemental rule have been analyzed separately by Environmental Assessment CA-680-00-29.
