The Commission made a negative determination concerning critical circumstances relating to imports from the Czech Republic. The Commission also determines that an industry in the United States is materially injured by reason of imports from Mexico of certain large diameter seamless carbon and alloy steel standard, line, and pressure pipe ("large diameter pipe"), provided for in subheadings 7304.10.10, 7304.10.50, 7304.31.60, 7304.39.00, 7304.51.50, 7304.59.60, and 7304.59.80 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce to be sold in the United States at LTFV.<sup>3</sup>
