SUPPLEMENTARY INFORMATION:**A. Background**

This interim rule amends the DFARS to convert programs based on the Standard Industrial Classification (SIC) system to the North American Industry Classification System (NAICS). The Small Business Administration (SBA) issued a final rule at 65 FR 30836 on May 15, 2000, providing a new size standards listing that is based on NAICS rather than SIC codes. The SBA rule requires Federal agencies to use the new size standards, beginning October 1, 2000, to determine whether a business is a small business concern. An interim rule amending the Federal Acquisition Regulation was published at 65 FR 46055 on July 26, 2000, with an effective date of October 1, 2000, to establish policy for use of the new size standards in Government acquisitions. This rule makes corresponding changes to the DFARS.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because this rule implements the final rule issued by SBA on May 15, 2000, and SBA has certified that the impact of the change from SIC to NAICS on each business will not be substantial. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2000-D015.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination To Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish this interim rule prior to affording the public an opportunity to comment. The SBA issued a final rule on May 15, 2000, providing a new size standards listing that is based on NAICS rather than SIC codes. The SBA rule requires Federal agencies to use the new size standards, beginning October 1, 2000, to determine whether a business is a small business concern. An interim rule amending the Federal Acquisition Regulation was published on July 26, 2000, with an effective date of October 1, 2000, to establish policy for use of the new size standards in Government acquisitions. Corresponding changes to the DFARS are now needed. The required implementation date of October 1, 2000, does not permit time for issuance of a proposed rule and evaluation of public comments. DoD will consider comments received in response to this interim rule in the formation of the final rule.

[DFARS Case 99-D307]

Defense Federal Acquisition Regulation Supplement; Mentor-Protege Program Improvements

AGENCY: Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: The Director of Defense Procurement has adopted as final, with changes, an interim rule amending the

Defense Federal Acquisition Regulation Supplement (DFARS) to implement Section 811 of the National Defense Authorization Act for Fiscal Year 2000. Section 811 amends statutory provisions pertaining to the DoD Pilot Mentor-Protege Program.

EFFECTIVE DATE: August 17, 2000.

FOR FURTHER INFORMATION CONTACT: Ms. Susan L. Schneider, Defense Acquisition Regulations Council, OUSD (AT&L) DP (DAR), IMD 3D139, 3062 Defense Pentagon, Washington, DC 20301-3062. Telephone (703) 602-0326; telefax (703) 602-0350. Please cite DFARS Case 99-D307.

SUPPLEMENTARY INFORMATION:

A. Background

DoD published an interim rule at 65 FR 6554 on February 10, 2000. The rule amended policy on the Mentor-Protege Program in DFARS Subpart 219.71 and Appendix I to implement Section 811 of The National Defense Authorization Act for Fiscal Year 2000 (Public Law 106-65). This final rule contains additional clarifying amendments, to include clarification that progress reports required from protege firms may be submitted as part of the mentor firm's annual report.

Three sources submitted comments on the interim rule. DoD considered all comments in the development of the final rule.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD certifies that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule changes procedures for administering and monitoring the Mentor-Protege Program, but maintains the primary objective of providing incentives for major DoD contractors to assist small disadvantaged business concerns and qualified organizations employing the severely disabled in enhancing their capabilities to satisfy Government and commercial contract requirements.

C. Paperwork Reduction Act

The Office of Management and Budget (OMB) has approved the information collection requirements contained in this rule, for use through July 31, 2003, under OMB Clearance Number 0704-0412.
