Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 11Ac1-3, 17 CFR 240.11Ac1-3, under the Securities Exchange Act of 1934 requires disclosure on each new account and on a yearly basis thereafter, on the annual statement, the firm's policies regarding receipt of payment for order flow from any market makers, exchanges or exchange members to which it routes customers' order in national market system securities for execution; and information regarding the aggregate amount of monetary
