Oil Country Tubular Goods From Japan: Preliminary Results of Antidumping Duty Administrative Review and Final Partial Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative review and final partial rescission of antidumping duty administrative review.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on oil country tubular goods (OCTGs) from Japan in response to requests by U.S. Steel Group (petitioner), respondent Sumitomo

Metal Industries, Ltd. (SMI), and Drill-Quip Inc. (Dril-Quip), an importer of OCTGs. This review, initiated on September 24, 1999, covers exports of subject merchandise to the United States during the period August 1, 1998 through July 31, 1999 and five respondents: Hallmark Tubulars Ltd. (Hallmark), Itochu Corp. (Itochu), Itochu Project Management Corp. (IPM), Nippon Steel Corp. (Nippon), and SMI (64 FR 53318; October 1, 1999).

We have determined that SMI had no reviewable sales of subject merchandise during the period of review (POR) and that the review of SMI should therefore be rescinded. We also preliminarily determine that adverse facts available should be applied to the remaining respondents, which did not respond to our questionnaires. Interested parties are invited to comment on these preliminary results.

EFFECTIVE DATE: September 11, 2000.

SUPPLEMENTARY INFORMATION:

Background

On August 11, 1995, the Department published in the **Federal Register** (60 FR 41058) the antidumping duty order on OCTGs from Japan. On August 26, 1999, Dril-Quip, an importer of OCTGs, requested an administrative review of Hallmark, Itochu, IPM, and Nippon. On August 31, 1999, petitioner and SMI requested that the Department conduct a review of SMI. The Department initiated this antidumping administrative review on September 24, 1999 (64 FR 53318; October 1, 1999). On October 13, 1999, petitioner requested a duty absorption determination for SMI and its exporter, Sumitomo Corporation (SC). On November 30, 1999, the Department issued its antidumping duty questionnaire to all five respondents. On December 30, 1999, Nippon informed the Department that it would

not participate in the review. After receiving the Department's antidumping questionnaires, Nippon, Itochu, IPM, and Hallmark failed to respond. The Department is conducting this review in accordance with section 751(a) of the Act.
