DEPARTMENT OF AGRICULTURE

Office of the Secretary

Notice of the National Agricultural Research, Extension, Education, and Economics Advisory Board Meeting

AGENCY: Research, Education, and Economics, USDA.

ACTION: Notice of meeting.

SUMMARY: In accordance with the Federal Advisory Committee Act, 5 U.S.C. App., the United States Department of Agriculture announces a meeting of the National Agricultural Research, Extension, Education, and Economics Advisory Board.

SUPPLEMENTARY INFORMATION: The National Agricultural Research, Extension, Education, and Economics Advisory Board, which represents 30 constituent categories, as specified in section 802 of the Federal Agriculture Improvement and Reform Act of 1996 (Pub. L. 104-127), has scheduled a National Agricultural Research, Extension, Education, and Economics Advisory Board Meeting, March 13-15, 2000.

On Monday, March 13, the Advisory Board will sponsor its 4th National Stakeholder Symposium, focusing on the Integrated Authority for Research, Education, and Extension, as announced in Press Release No. 7.99, Secretary of Agriculture, USDA. The Symposium will begin promptly at 9 a.m. and use a panel format as in previous years. Each panelist will be permitted to make a presentation, with time limits to be announced, and will receive questions from the Advisory Board members. If you wish to be considered as a panelist or would like to nominate a panelist, please forward speaker names, phone numbers, and a brief summary, outline, or similar indication of the intended remarks regarding the topic area to the contact person below for Board consideration. Names for panelists will

be reviewed and selections will be made by the Advisory Board and its Executive Committee. The general Advisory Board meeting will begin at 9 a.m. on Tuesday, March 14, and continue until approximately noon on Wednesday, March 15. During this time, the Advisory Board will (1) incorporate input of stakeholders for use in recommendations for the FY 2002 priorities and the integrated authority; (2) hear a report on the progress of REE programs and projects with regard to relevance to research priorities and adequacy of funding; (3) hear progress reports on Advisory Board working group activities; (4) conduct a focus session on "Changing Pricing and Marketing Structures in the Food and Fiber System;" (5) discuss plans for a summer regional listening session; (6) and conduct other business as needed.

Dates: March 13—9:00 a.m. to 5:00 p.m. 4th National Stakeholder Symposium; March 14—9:00 a.m. to 5:00 p.m.; March 15 9:00 a.m. to Noon.

Place: Crown Plaza Hotel (Crystal City), Grand Ballroom, 1489 Jefferson Davis Highway, Arlington, VA 22202.

Type of Meeting: Open to the public.

Comments: The public may file written comments before or after the meeting with the contact person. All statements will become a part of the official records of the National Agricultural Research, Extension, Education, and Economics Advisory Board and will be kept on file for public review in the Office of the Advisory Board; Research, Education, and Economics; U.S. Department of Agriculture; Washington, DC 20250-2255.

Committee members will serve two-year terms. In the event of a vacancy, the Secretary will appoint a new member as appropriate and subject to the provisions of the Federal Advisory Committee Act. The duties of the Committee are solely advisory. The Committee will advise the Secretary of Agriculture on a broad array of issues related to the expanding dimensions of agricultural biotechnology. These issues may include: effects of industry concentration and consolidation on farmers and consumers; effects of changing intellectual property right status of agricultural materials on farmers; ways to maximize or encourage potential benefits of biotechnology and minimize potential adverse effects in different sectors of the agricultural economy; guidance on priorities and resource allocations for research, and for other activities to help the functioning of the agricultural marketplace; recommendations for scientific studies that might be conducted by the new USDA-sponsored Standing Committee on Biotechnology at the National Research Council; ways to improve public understanding and input into USDA's regulatory process; and USDA's role in assuring that farmers have an array of choices for future agricultural technology and practices.

The Committee will advise the Secretary through an annual report and other means as necessary and appropriate.

The Committee will meet in Washington, DC, up to four (4) times per year.

Committee members will serve without pay. Reimbursement of travel expenses and per diem costs shall be made to Committee members who would be unable to attend Committee meetings without such reimbursement.

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Proposed Additions and Deletions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Proposed Additions to and Deletions from Procurement List.

SUMMARY: The Committee has received proposals to add to the Procurement List commodities and services to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities, and to delete commodities and services previously furnished by such agencies.

COMMENTS MUST BE RECEIVED ON OR BEFORE: March 6, 2000.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Gateway 3, Suite 310, 1215 Jefferson Davis Highway, Arlington, Virginia 22202-4302.

FOR FURTHER INFORMATION CONTACT: Leon A. Wilson, Jr. (703) 603-7740.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 47(a)(2) and 41 CFR 51-2.3. Its purpose is to provide interested persons an opportunity to submit comments on the possible impact of the proposed actions.

Additions

If the Committee approves the proposed additions, all entities of the Federal Government (except as otherwise indicated) will be required to procure the commodities and services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities. I certify that the following action will not have

a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.

2. The action will result in authorizing small entities to furnish the commodities and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and services proposed for addition to the Procurement List. Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.
