SUPPLEMENTARY INFORMATION: NACEPT is a federal advisory committee under the Federal Advisory Committee Act, Public Law 92463. NACEPT provides advice and recommendations to the Administrator and other EPA officials on a broad range of domestic and international environmental policy issues. NACEPT consists of a representative cross-section of EPA's partners and principal constituents who provide advice and recommendations on policy issues and serve as a sounding board for new strategies that the Agency is developing.

In follow-up to completion of work by EPA's Common Sense Initiative (CSI) Council, the Administrator asked NACEPT to create a Standing Committee on Sectors. This Committee began its work in March 1999 and provides a multi-stakeholder forum through which the Agency can continue to receive advice and recommendations on sector-based approaches to environmental protection. (A sector is generally defined a discrete production system of the economy, e.g., petroleum refining, printing, metal finishing.) Further information on sectors is available electronically on our web site at <http://www.epa.gov/sectors>.

For further information concerning the NACEPT Standing Committee on Sectors, including the upcoming meeting, contact Kathleen Bailey, Designated Federal Officer (DFO), on (202) 260-3413, or E-mail: bailey.kathleen@epa.gov.

Inspection of Subcommittee Documents: Documents relating to the above topics will be publicly available at the meeting. Thereafter, key documents and the minutes of the meeting will be available electronically on the web site, or by calling the DFO.
