#### Notice of Inventory Completion for Native American Human Remains and Associated Funerary Objects in the Possession of the University of Denver Department of Anthropology and Museum of Anthropology, Denver, CO

**AGENCY:** National Park Service

**ACTION:** Notice

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains and associated funerary objects in the possession of the University of Denver Department of Anthropology and Museum of Anthropology, Denver, CO.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 43 CFR 10.2 (c). The determinations within this notice are the sole responsibility of the museum, institution, or Federal agency that has control of these Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations within this notice.

A detailed assessment of the human remains was made by University of Denver Department of Anthropology and Museum of Anthropology professional staff and a contract physical anthropologist, in consultation with representatives of the Alabama-Coushatta Tribes of Texas; Alabama-Quassarte Tribal Town, Oklahoma; Cherokee Nation, Oklahoma; Chickasaw Nation, Oklahoma; Choctaw Nation of Oklahoma; Eastern Band of Cherokee Indians of North Carolina; Jena Band of Choctaw Indians, Louisiana; Kialegee Tribal Town, Oklahoma; Mississippi Band of Choctaw Indians, Mississippi; Muscogee (Creek) Nation, Oklahoma; Poarch Band of Creek Indians of Alabama; Thlopthlocco Tribal Town, Oklahoma; and the United Keetoowah Band of Cherokee Indians of Oklahoma.

At an unknown date, human remains representing two individuals were removed from ancient mounds in Alabama. At an unknown date between the 1920's and the 1950's, the two sets of remains were acquired by the University of Denver Museum of Anthropology. One set of remains is listed as coming from "Alabama Mound 1," and the other set of remains is listed as coming from "Alabama Mound 2." Mounds generally were constructed by ancient Native Americans in Alabama beginning circa 100 B.C. and continuing to circa A.D. 1600. After that date, individual Native Americans may have been buried in old mounds throughout the 19th century. There is no other information on the provenience, age, or cultural context of the remains, or the circumstances under which these remains were recovered. No known individuals were identified. No associated funerary objects are present.

Alabama has been identified as the ancestral land of the Alabama-Coushatta Tribes of Texas; Alabama-Quassarte Tribal Town, Oklahoma; Cherokee Nation, Oklahoma; Chickasaw Nation, Oklahoma; Choctaw Nation of Oklahoma; Eastern Band of Cherokee Indians of North Carolina; Jena Band of Choctaw Indians, Louisiana; Kialegee Tribal Town, Oklahoma; Mississippi Band of Choctaw Indians, Mississippi; Muscogee (Creek) Nation, Oklahoma; Poarch Band of Creek Indians of Alabama; Thlopthlocco Tribal Town, Oklahoma; and the United Keetoowah Band of Cherokee Indians of Oklahoma. This association is supported by oral historical, archaeological, ethnological, historical, and geographical evidence.

Based on the above-mentioned information, officials of the University of Denver Department of Anthropology and Museum of Anthropology have determined that, pursuant to 43 CFR

10.2 (d)(1), the human remains listed above represent the physical remains of two individuals of Native American ancestry. Officials of the University of Denver Department of Anthropology and Museum of Anthropology also have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity that can be reasonably traced between these Native American human remains and the Alabama-Coushatta Tribes of Texas; Alabama-Quassarte Tribal Town, Oklahoma; Cherokee Nation, Oklahoma; Chickasaw Nation, Oklahoma; Choctaw Nation of Oklahoma; Eastern Band of Cherokee Indians of North Carolina; Jena Band of Choctaw Indians, Louisiana; Kialegee Tribal Town, Oklahoma; Mississippi Band of Choctaw Indians, Mississippi; Muscogee (Creek) Nation, Oklahoma; Poarch Band of Creek Indians of Alabama; Thlopthlocco Tribal Town, Oklahoma; and the United Keetoowah Band of Cherokee Indians of Oklahoma.

This notice has been sent to officials of the Alabama-Coushatta Tribes of Texas; Alabama-Quassarte Tribal Town, Oklahoma; Cherokee Nation, Oklahoma; Chickasaw Nation, Oklahoma; Choctaw Nation of Oklahoma; Eastern Band of Cherokee Indians of North Carolina; Jena Band of Choctaw Indians, Louisiana; Kialegee Tribal Town, Oklahoma; Mississippi Band of Choctaw Indians, Mississippi; Muscogee (Creek) Nation, Oklahoma; Poarch Band of Creek Indians of Alabama; Thlopthlocco Tribal Town, Oklahoma; and the United Keetoowah Band of Cherokee Indians of Oklahoma. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains should contact Jan I. Bernstein, Collections Manager and NAGPRA Coordinator at the University of Denver Museum of Anthropology, 2000 Asbury, Sturm Hall S-146, Denver, CO 80208-2406, email jbernste@du.edu, telephone (303) 871-2543, before November 27, 2000. Repatriation of the human remains to the Alabama-Coushatta Tribes of Texas; Alabama-Quassarte Tribal Town, Oklahoma; Cherokee Nation, Oklahoma; Chickasaw Nation, Oklahoma; Choctaw Nation of Oklahoma; Eastern Band of Cherokee Indians of North Carolina; Jena Band of Choctaw Indians, Louisiana; Kialegee Tribal Town, Oklahoma; Mississippi Band of Choctaw Indians, Mississippi; Muscogee (Creek) Nation, Oklahoma; Poarch Band of Creek Indians of Alabama; Thlopthlocco Tribal Town, Oklahoma; and the United Keetoowah Band of Cherokee Indians of Oklahoma may begin after that date if no additional claimants come forward.

Dated: October 17, 2000.

## DEPARTMENT OF LABOR

### Employment Standards Administration, Wage and Hour Division

#### Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR Part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR Part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance of these determinations as prescribed in 5 U.S.C. 533 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue current construction industry wage determinations frequently and in large volume causes procedures to be

impractical and contrary to the public interest.

General wage determination decisions, and modifications and supersedes decisions thereto, contain no expiration dates and are effective from their date of notice in the **Federal Register**, or on the date written notice is received by the agency, whichever is earlier. These decisions are to be used in accordance with the provisions of 29 CFR Parts 1 and 5. Accordingly, the applicable decision, together with any modifications issued, must be made a part of every contract for performance of the described work within the geographic area indicated as required by an applicable Federal prevailing wage law and 29 CFR Part 5. The wage rates and fringe benefits, notice of which is published herein, and which are contained in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under The Davis-Bacon And Related Acts," shall be the minimum paid by contractors and subcontractors to laborers and mechanics.

Any person, organization, or governmental agency having an interest in the rates determined as prevailing is encouraged to submit wage rate and fringe benefit information for consideration by the Department. Further information and self-explanatory forms for the purpose of submitting this data may be obtained by writing to the U.S. Department of Labor, Employment Standards Administration, Wage and Hour Division, Division of Wage Determinations, 200 Constitution Avenue, NW., Room S-3014, Washington, DC 20210.

#### Modifications to General Wage Determination Decisions

The number of decisions listed in the Government Printing Office document entitled "General Wage Determinations Issued Under the Davis-Bacon and related Acts" being modified are listed by Volume and State.
