The EA will consider both site-specific and cumulative environmental impacts and reasonable alternatives to the proposed actions.

Scoping Meetings

The Commission will hold three scoping meetings, one in the daytime

and two in the evening, to help us identify the scope of issues to be addressed in the EA.

The daytime scoping meeting will focus on resource agency concerns, while the evening scoping meetings are primarily for public concerns. All interested individuals, organizations, and agencies are invited to attend either or both meetings, and to assist the staff in identifying the scope of the environmental issues that should be analyzed in the EA. The times and locations of these meetings are as follows:

Evening Meetings

Monday, December 4, 2000, 7:00 to 9:00 p.m., Lee Kellogg Elementary School, Multipurpose Room, 47 Main Street, Falls Village, CT 06031

Wednesday, December 6, 2000, 7:00 to 9:00 p.m., Northville Elementary School Cafeteria, 22 Hipp Road, New Milford, CT 06776

Afternoon Meeting

Thursday, December 7, 2000, 1:00—3:00 p.m., First South Congregational Church, Stanley Room (Second Floor), 277 Main St., Hartford, CT 06106

To help focus discussions, we will distribute to parties on the Commission's mailing list a Scoping Document (SD1) outlining the subject areas to be addressed in the EA. Copies of the SD1 will also be available at the scoping meetings.

Objectives

At the scoping meetings, the staff will: (1) Summarize the environmental issues that the Commission staff tentatively has identified for analysis in the EA; (2) take statements from experts and the public on issues that should be analyzed in the EA, including viewpoints in opposition to, or in support of, those issues identified by the Commission staff; (3) identify those issues that require a detailed analysis, as well as those issues that do not require a detailed analysis; and (4) solicit all available information, especially quantifiable data, on the resources at issue;

The meetings will be recorded by a stenographer and will become part of the formal record of the Commission's proceeding on the project. Individuals presenting statements at the meeting will be asked to sign in before the meeting starts and to identify themselves clearly for the record.

Individuals, organizations, and agencies are encouraged to attend the meeting and to assist the staff in defining and clarifying the issues to be addressed in the EA.

Site Visit

The applicant and the Commission staff will conduct a project site visit in two segments on December 5th and 6th, 2000.
