Job Swap/Job Exchange System (JOBX).

SYSTEM LOCATION:

Immigration and Naturalization Service (INS) Headquarters, Regional and District Offices, and sub-offices as detailed in JUSTICE/INS-999, last published April 13, 1999 (64 FR 18052).

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Also, records in the system are maintained as a means to track the transfers allowed in the JOBX program. The JOBX program supports the Job Swap program by facilitating the non-competitive swap of employees between two duty stations, provided they have the same title, series, and grade. C. To the Merit Systems Protection Board or the Office of the Special Counsel in connection with appeals, special studies of the civil service and other merit systems, review of office rules and regulations, investigations of alleged or possible prohibited personnel practices, and such other functions, e.g., as prescribed in 5 U.S.C. Chapter 12, or as may be authorized by law.

request of the individual who is the subject of the record.

F. To General Services Administration and National Archives and Records Administration in records management inspections conducted under the authority of 44 U.S.C. 2904 and 2906.

G. To the Federal Labor Relations Authority or its General Counsel when requested in connection with investigations of allegations of unfair labor practices or matters before the Federal Service Impasses Panel.

H. To contractors, grantees, experts, consultants, students, and others performing or working on a contract, service, grant, cooperative agreement, or other assignment for the Federal government, when necessary to accomplish an agency function related to this system of records.

I. To disclose information to an arbitrator to resolve disputes under a negotiated grievance procedure or to officials of labor organizations recognized under 5 U.S.C. Chapter 71 when relevant and necessary to their duties of exclusive representation.

J. To the Union when required by contract as part of the processing of a grievance and/or to an arbitrator in the arbitration of a grievance.

Most INS offices are located in buildings under security guard, and access to premises is by official identification. Offices are locked during non-duty hours. Access to this system is

obtained through remote terminals that require the use of restricted passwords and a user ID. Paper records will be maintained in locked file cabinets. The JOBX server will be maintained in a secure computer facility.

RETENTION AND DISPOSAL:

Records are retained in accordance with General Records Schedule 1, items 4, 15, 23(a), and 33b.
