BILLING CODE 4160-15-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4644-N-11]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Clifford Taffet, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the

property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Clifford Taffet at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Brian K. Polly, Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th and F Streets,

NW., Washington, DC 20405; (202) 501-0386; *Army*: Mr. Jeff Holste, Military Programs, U.S. Army Corps of Engineers, Installation Support Center Planning Branch, Attn: CEMP-IP, 441 G Street, NW., Washington, DC 20314-1000; (202) 761-5737; (These are not toll-free numbers).

Dated: March 8, 2001.

John D. Garrity,

Director, Office of Special Needs Assistance Programs.

BILLING CODE 4210-29-M

DEPARTMENT OF THE INTERIOR

Central Utah Project Completion Act

AGENCY: Office of the Assistant Secretary—Water and Science, Department of the Interior.

ACTION: Notice of intent to negotiate contract(s) and agreement(s) among and between the Central Utah Water Conservancy District, Moon Lake Water Users Association, U.S. Forest Service, and Department of the Interior for the proposed development of the Uinta Basin Replacement Project, Utah, as authorized in Section 203(a) of the Central Utah Project Completion Act.

SUMMARY: The Uinta Basin Replacement Project is authorized in Section 203(a) of the Central Utah Project Completion Act (CUPCA). The Lake Fork Uinta Basin Replacement Project as described in the Draft Environmental Assessment includes: the enlargement of the non-federal Big Sand Wash Dam and Reservoir; modification of the outlet works at Moon Lake Dam and Reservoir to provide regulation for instream flows; construction of a Big Sand Wash Feeder Diversion Dam on the Lake Fork River; Construction of a Big Sand Wash Feeder pipeline and a Big Sand Wash-Roosevelt distribution pipeline; stabilization of high mountain lakes in the High Uintas Wilderness; and providing fish and wildlife habitat mitigation and enhancement.

Section 203(a)(1-4) of CUPCA, authorizes funds to be appropriated to construct features of the "Uinta Basin Replacement Project." If constructed, the project would develop new water supplies for M&I and supplemental irrigation, replacement storage for the high mountain lakes irrigation water, enhance wilderness recreation, fish, and wildlife values, and provide instream flows for fishery habitat. A Draft Environmental Assessment for the Section 203(a), Uinta Basin Replacement Project was released for agency and public review on February 12, 2001. The document describes the Project and the results of the environmental impact analyses for the proposed action and the reasonable alternatives.

Section 203(c) requires that binding contracts be executed for the purchase of project water supplies before project funds can be expended and Section 203(d) of CUPCA specifies that the Uinta Basin Replacement Project be constructed under the guidelines of the Drainage Facilities and Minor Construction Act. Also, all project contracts and agreements must be negotiated and executed by all parties

except the Secretary of the Interior by June 1, 2001 to provide adequate time to process final NEPA reports and environmental decision documents before the project authorization expires. Section 203(b) provides that the authorization will terminate 5 years from the date of completion of the feasibility study. The initial feasibility study was completed in November 1996 and all contracts, agreements, final NEPA report and environmental decision document, and the final Feasibility Study must be completed by November 2001 or the authorization will sunset. Negotiated contract(s) and agreement(s) among and between the District, Moon Lake Water Users Association, U.S. Forest Service, and DOI will comply with sections 203(a) thru 203(d) of CUPCA and the terms of the Compliance Agreement.

DATES: Dates for public negotiation sessions for the separate contracts or agreements will be announced in local newspapers.

FOR FURTHER INFORMATION: Additional information on matters related to this **Federal Register** notice can be obtained by contacting Mr. Michael Hansen, Program Coordinator, CUP Completion Act Office, Department of the Interior, 302 East 1860 South, Provo UT 84606-6154, Telephone: (801) 379-1194, E-Mail address: mhansen@uc.usbr.gov.

Dated: March 12, 2001.

Ronald Johnston,

CUP Program Director, Department of the Interior.
