

developed to serve as the basis for the recommendation to be made to Congress.

Public participation will be especially important at several points during the analysis. The Forest Service will be seeking information, comments, and assistance from Federal, State, Tribe, and local agencies, and other individuals or organizations who may be interested in or affected by the proposed actions. This information will be used in preparation of the draft legislative EIS. Public open houses to discuss this study are scheduled from 4 to 8 p.m. at the following locations: Monday, May 7, 2001, Snoqualmie Ranger District, 42404 SE North Bend Way, North Bend, Washington; Tuesday, May 8, 2001, Summit Inn, 603 State Route 906, Snoqualmie Pass, Washington; and Thursday, May 10, 2001, Hal Holms Community Center, 201 N. Ruby, Ellensburg, Washington.

The draft legislative EIS is expected to be filed with the Environmental Protection Agency (EPA) and is to be available for public review by October 2001. The comment period on the draft legislative EIS will be 60 days from the date the EPA publishes the notice of availability in the **Federal Register**.

The Forest Service believes, at this early stage, it is important to give reviewers notice of several court ruling related to public participation in the environmental review process. First, reviewers of a draft legislative EIS must structure their participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewer's position and contentions. *Vermont Yankee Nuclear Power Cor. v. NRDC*, 435 U.S. 519, 553 (1978). Also, environmental objections that could be raised at the draft legislative EIS stage but that are not raised until after completion of the final legislative EIS may be waived or dismissed by the courts. *City of Angoon v. Hodel*, 803 F.2d 1016, 1022 (9th Cir. 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980). Because of these court rulings, it is very important that those interested in this proposed action participate by the close of the 60 day comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final legislative EIS.

To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft legislative EIS should be as specific as possible. It is also helpful if comments refer to

specific pages or chapters of the draft statement. Comments may also address the adequacy of the draft legislative EIS or the merits of the alternatives formulated and discussed in the statement. Reviewers may wish to refer to the Council on Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

The final legislative EIS is schedule to be completed by October 2002. The Forest Service will respond to the comments received during the comment period in the final legislative EIS. These comments will be forwarded to the Congressional committee with jurisdiction over the proposal along with the final legislative EIS and study report.

Dated: April 24, 2001.

Forest Supervisor.

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List Addition; Correction

In the document appearing on page 42901, FR Doc. 99-20291, in the issue of August 6, 1999, in the first column the Committee published a notice of addition to the Procurement List of, among other things, Skin Protectant, Plus, National Stock Number (NSN) 9999-00-NSH-0001. This NSN was later replaced by the NSNs 6505-01-474-7724, 6505-01-474-7707, and 6505-01-474-7343.

Unless limited in the notice, an addition to the Procurement List applies to the total Government requirement for the commodity noted. However, the Committee recently discovered that the addition of Skin Protectant, Plus was based on the requirement for the U.S. Postal Service, Central Florida District only. The addition notice is therefore amended to read:

Skin Protectant, Plus

6505-01-474-7724
6505-01-474-7707
6505-01-474-7343

(Requirement of U.S. Postal Service, Central Florida District only.)
