OFFICE OF PERSONNEL MANAGEMENT**Proposed Collection; Comment Request for Review of an Information Collection: RI 20-64 and RI 20-64A**

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget a request for review of an information collection. RI 20-64, Former Spouse Survivor Annuity Election, is a form used by the Civil Service Retirement System to provide information about the amount of annuity payable after a survivor reduction and to obtain a survivor

benefits election form from annuitants who are eligible to elect to provide survivor benefits for a former spouse. RI 20-64A, Information on Electing a Survivor Annuity for Your Former Spouse, is a pamphlet that provides important information to retirees under the Civil Service Retirement System who want to provide a survivor annuity for a former spouse.

Comments are particularly invited on: whether this information is necessary for the proper performance of functions of OPM, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

Approximately 30 RI 20-64 forms are completed annually. The form takes approximately 45 minutes to complete. The annual estimated burden is 23 hours.
