commercial or noncommercial AM, FM, or TV broadcast station and FM translator, TV translator, or Low Power TV broadcast station licenses. FCC Form 303-S can also be used in seeking the joint renewal of licenses for an FM or TV translator station and its co-owned primary FM, TV, or LPTV station. 47 CFR Section 73.3580 requires local public notice when filing the license renewal application. For AM, FM, and TV stations, these announcements are made on-the-air. For FM/TV translators and AM/FM/TV station that are silent, the public notice should be published in a newspaper of general circulation. The FCC staff uses the data to assure that the necessary reports connected with the renewal application have been filed and that the licensee meets the basic statutory requirements to remain a broadcast station licensee.

Final Approval Under OMB Delegated Authority of the Implementation of the Following Report

1. Report title: Declaration for a State Member Bank to Control, or Hold an Interest In, a Financial Subsidiary.

Agency form number: FR 4017.

OMB Control number: 7100–0292.

Frequency: Event-generated.

Reporters: State Member Banks.

Annual reporting hours: 100 hours.

Estimated average hours per response: hour.

Number of respondents: 100.
Small businesses are not affected.
General description of report: This information collection is required to obtain a benefit by Title I of the Gramm-Leach-Bliley Act (Pub. L. 106–103, 113 Stat. 1338 (1999)). A company may request confidentiality for the information contained in the information collection pursuant to section (b)(4) and (b)(6) of the Freedom of Information Act (5 U.S.C. 552 (b)(4) and (b)(6)).

Abstract: In March 2000, the Board adopted, on an interim basis, and requested public comment on a rule implementing the financial subsidiary provisions of the GLB Act for state member banks (Docket No. R-1064; 65 Federal Register 14810 (2000)). The interim rule specifies the capital, managerial, Community Reinvestment Act and other requirements that a state member bank must meet to own or control a financial subsidiary under the GLB Act. In addition, the interim rule requires a state member bank to provide notice to the Federal Reserve at least 15 days prior to establishing a financial subsidiary or commencing a newly authorized financial activity through an existing financial subsidiary. The notice must provide basic information concerning the proposed transaction and certify that bank and its depository institution affiliates meet the capital and managerial requirements of the GLB Act.

The Federal Reserve received one comment on the interim rule that bears on the rule's information collection requirements. This commenter suggested that the Federal Reserve

eliminate the 15-day review period for financial subsidiary notices and permit a state member bank to immediately consummate a proposed transaction after filing a certification that the bank meets the GLB Act's capital, managerial, and other requirements. Staff believes that the brief 15-day review period included in the interim rule provides the Federal Reserve an appropriate period of time to verify that a state member bank meets the capital, managerial, and other requirements imposed by the GLB Act. Accordingly, it is anticipated that the final rule presented to the Board will continue to include a period for System review of financial subsidiary notices.

Board of Governors of the Federal Reserve System, May 23, 2001.

Associate Secretary of the Board. [FR Doc. 01–13475 Filed 5–29–01; 8:45 am] BILLING CODE 6210–01–P
