Affected Public: Business or other for-profit and not-for-profit institutions.

Number of Respondents: 1,250 annually.

Estimated Hour Burden Per Response: 30 minutes.

Estimated Total Annual Burden Hours: 625 hours.

Estimated Annual Cost To Respondents. We have estimated that the annualized cost to respondents for the hour burdens will be approximately \$100 per respondent, on average. FEMA has offset this burden for most claimants by allowing claimants who successfully complete the process to an award to receive an additional 5% of their compensation, with a minimum of \$100 to a maximum of \$500 on this type of small business claim, for claims compensation expenses. Claimants who do not complete the claims process or who do not receive any compensation will not receive the claims preparation fee.
