Atlantic City Electric Company; Notice of Issuance of Order

May 31, 2001.

Atlantic City Electronic Company (Atlantic City) submitted for filing a rate schedule under which Atlantic City will engage in wholesale electric power and energy transactions at market-based rates. Atlantic City also requested waiver of various Commission regulations. In particular, Atlantic City requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Atlantic City.

On May 23, 2001, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Atlantic City should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Atlantic City is authorized to issue securities and assume obligations or liabilities as a guarantor, endorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Atlantic City's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is June 22, 2001.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202–208–2222 for assistance).

Delmarva Power & Light Company; Notice of Issuance of Order

May 31, 2001.

Delmarva Power & Light Company (Delmarva) submitted for filing a rate schedule under which Delmarva will engage in wholesale electric power and energy transactions at market-based rates. Delmarva also requested waiver of various Commission regulations. In particular, Delmarva requested that the Commission grant blanket approval under 18 CFR Part 34 of future issuances of securities and assumptions of liability by Delmarva.

On May 23, 2001, pursuant to delegated authority, the Director, Division of Corporation Applications, Office of Markets, Tariffs and Rates, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Delmarva should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Delmarva is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Delmarva's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is June 22, 2001.

[Docket No. PR01-13-000]

DeSoto Pipeline Company, Inc.; Notice of Rate Election and Rate Petition

May 31, 2001.

Take notice that on May 1, 2001, DeSoto Pipeline Company, Inc. (DeSoto) filed pursuant to Section 284.123(b)(1) and 284.123(b)(2) of the Commission's regulations, a notice of rate election advising the Commission of DeSoto's intended use an existing state approved transportation rate as a fair and equitable proposed rate for interruptible transportation services being provided pursuant to Section 311 of the NGPA, together with a request for the Commission to establish a transportation rate for Section 311 service on a certain portion of its system, as well as certain additional compression and fuel retention percentages applicable at specific delivery points on the DeSoto system. DeSoto's mailing address is 1201 Diary Ashford, Suite 190, Houston, Texas 77079.

DeSoto states that it is an intrastate pipeline company within the meaning of Section 2(16) of the NGPA, 15 U.S.C. 3301(16). DeSoto will provide interruptible transportation service pursuant to Section 31(a)(2) of the NGPA through its facilities located in

Texas. This petition is intended to establish a new system-wide maximum transportation rate for Section 311(a)(2) service.

Pursuant to Section 284.123(b)(2)(ii) of the Commission's regulations, if the Commission does not act within 150 days of the Petition's filing date, the rates proposed therein will be deemed to be fair and equitable and not in excess of an amount that interstate pipelines would be permitted to charge for similar services. The Commission may, prior to the expiration of the 150-day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data and arguments.

Any person desiring to participate in this rate proceeding must file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules of Practice and Procedure. All motions must be filed with the Secretary of the Commission on or before June 14, 2001. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbell.htm>.

[Project No. 184-065 California]

El Dorado Irrigation District; Notice of Public Meeting

May 31, 2001.

The Federal Energy Regulatory Commission (Commission) is reviewing the application for a new license for the El Dorado Project (FERC No. 184), which was filed on February 22, 2000. The El Dorado Project, Licensed to the El Dorado Irrigation District (EID), is located on the South Fork American River, in El Dorado, Alpine, and Amador counties, California. The

project occupies lands of the Eldorado National Forest.

The EID has requested that the commission provide facilitation services to assist the parties in arriving at a settlement of all issues relevant to this proceeding. Commission staff held a meeting on April 3, 2001. The purpose of this second meeting is to continue to discuss alternatives for processing the application for relicensing of the El Dorado Project, including whether a consensus exists among the parties for pursuing settlement options. We invite the participation of all interested governmental agencies, non-governmental organizations, and the general public in this meeting.

The meeting will be held on Tuesday, June 26, 2001, from 9 a.m. until 4 p.m. in the Cal EPA Building (Room 1610-16th floor) located at 1001 "I" Street (10th and I), Sacramento, California.

For further information, please contact Elizabeth Molloy at (202) 208-0771 or John Mudre at (202) 219-1208.

Entergy Services, Inc.; Notice of filing

May 25, 2001.

Take notice that on May 22, 2001, Entergy Services, Inc., on behalf of Entergy Arkansas, Inc., tendered for filing an Interconnection and Operating Agreement with GenPower Keo, LLC (GenPower), and a Generator Imbalance Agreement with GenPower.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before June 12, 2001. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
