

11A(a)(1)(C),²⁶ which grants the Commission the authority to require rules designed to ensure appropriate protection of investors and the maintenance of fair and orderly markets to assure: (1) Economically efficient execution of securities transactions; (2) fair competition among brokers and dealers; (3) the availability to brokers, dealers and investors of information with respect to quotations and transactions in securities; (4) the practicability of brokers executing investors' orders in the best market; and (5) an opportunity for investors' orders to be executed without the participation of a dealer.

The Commission has reviewed carefully the commenter's letter, and is not persuaded by the commenter's assertions. NASD Regulation has stated that the proposed rule change will not affect the process by which trading resumes after a trading halt is lifted for Nasdaq National Market Securities and Nasdaq SmallCap securities, and has explained in detail those procedures.²⁷ Additionally, NASD Regulation has stated it would not consider the entry of closed quotations into Nasdaq for these types of securities a violation of NASD Rule 3340, provided the quotations were entered in conformity with Nasdaq's resumption process.²⁸ The Commission also agrees that the responsibility to ensure compliance with NASD rules rests with the NASD's members, and that the proposal is important because it delineates the prohibition of specific conduct during trading halts.²⁹

V. Conclusion

For the reasons stated above, the Commission finds that the proposed rule change, as amended, is consistent with the Act, in general, and in particular with Sections 15A(b)(6),³⁰ 15A(b)(11),³¹ and 11A(a)(1)(c)³² of the Act.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³³ that the proposed rule change (SR-NASD-00-

33), as amended, be and hereby is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.³⁴

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-44381; File No. SR-Phlx-2001-57]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the Philadelphia Stock Exchange, Inc. Waiving Equity Transaction Value Charges for PACE Orders

June 1, 2001.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹, and Rule 19b-4 thereunder,² notice is hereby given that on May 21, 2001, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Phlx. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Phlx proposes to waive equity transaction value charges for orders that are electronically routed to the Exchange through PACE.³ The proposed waiver of fees will be implemented on June 1, 2001.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Phlx included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Phlx has prepared

summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to waive equity transaction value charges for orders that are electronically routed to the Exchange through PACE.⁴ Presently, orders routed to the Exchange through PACE are charged an equity transaction value charge, which is subject to a discount schedule based on the total value of monthly transactions.⁵ Accordingly, all related PACE trade discounts and credits would no longer apply.

The proposed amendment is designed to promote the Exchange's reputation as a cost-effective trading forum for PACE customers and traders transacting equity business. Furthermore, the Exchange believes that the proposed amendment should encourage electronic order flow to the Exchange, which in turn should promote a more liquid equities market.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and with Section 6(b)(4),⁷ in particular, by providing for the equitable allocation of reasonable dues, fees and other charges among participants. Eliminating certain charges for PACE transactions (1) alleviates a financial burden on PACE users and thus encourages the transaction of equities by the investing public, and (2) promotes competition among the various exchanges.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

⁴ Specialists would continue to be subject to the PACE Specialist Charge of \$.20 per specialist trade against PACE executions (excluding PACE trades on the opening). Telephone conversation between Diana Tenenbaum, Counsel, Phlx, and Sonia Patton, Attorney, Division of Market Regulation, Commission (May 29, 2001).

⁵ If the monthly transaction value of a particular customer is between \$0-\$25 million, a rate of \$0.14 for every \$1,000 of value will be charged. The rate decreases as the amount of the monthly transaction value increases. PACE users receive trade discounts based on trade size.
