

DEPARTMENT OF TRANSPORTATION**Coast Guard****33 CFR Part 165****CGD01-01-074****RIN 2115-AA97****Safety Zone: Fireworks Display, Provincetown, MA****AGENCY:** Coast Guard, DOT.**ACTION:** Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone within a five hundred (500) yard radius of the fireworks barge located in Provincetown Harbor, Provincetown, Massachusetts, on July 4, 2001. The safety zone is needed to safeguard the public from possible hazards associated with a fireworks display. Entry into this zone will be prohibited unless authorized by the Captain of the Port, Providence, Rhode Island.

EFFECTIVE DATE: This rule is effective from 8 p.m. on July 4 until 10 p.m. on July 5, 2001.

ADDRESSES: Documents relating to this temporary final rule are available for inspection and copying at U.S. Coast Guard Marine Safety Office Providence, 20 Risho Avenue, E. Providence, RI. Normal office hours are between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LT Casey L. Chmielewski at Marine Safety Office Providence, (401) 435-2335.

SUPPLEMENTARY INFORMATION:**Regulatory Information**

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds good cause exists for not publishing a NPRM. The sponsor of the event did not provide the Coast Guard with the final details for the event in sufficient time to publish a NPRM. The delay encountered if normal rulemaking procedures were followed would effectively cancel the event. Cancellation of this event is contrary to the public interest since the fireworks display is for the benefit of the public.

Background and Purpose

This regulation establishes a safety zone in all waters within a five hundred (500) yard radius of the fireworks barge located approximately 800 yards to the southeast of Provincetown, Massachusetts, approximate position 42°02'00" N, 070°10'00" W, on July 4, 2001 from 8 p.m. until 10 p.m., with an

inclement weather date of July 5, 2001 from 8 p.m. until 10 p.m.. This safety zone is needed to protect the maritime community from possible hazards associated with a fireworks display. No vessel may enter the safety zone without permission of the Captain of the Port (COTP), Providence, Rhode Island.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979). We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation under paragraph 10(e) of the regulatory policies and procedures of DOT is unnecessary. This safety zone involves a very small area of Provincetown Harbor, Provincetown, Massachusetts. The effect of this regulation will not be significant due to the lateness of the hour, all vessel traffic may safely transit around this safety zone, and extensive maritime advisories will be made.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners and operators of vessels intending to transit Provincetown Harbor in the fireworks area. The safety zone will not have a significant impact on a substantial number of small entities due to the lateness of the hour, all vessel traffic may safely transit around this safety zone, and the extensive maritime advisories that will be made.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-

121), we want to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking process. If your small business or organization would be affected by this rule and you have any questions concerning its provisions or options for compliance, please call LT Casey Chmielewski at (401) 435-2335. Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

We have analyzed this action under E.O. 13132 and have determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) governs the issuance of Federal regulations that require unfunded mandates. An unfunded mandate is a regulation that requires a State, local, or tribal government or the private sector to incur direct costs without the Federal Government having first provided the funds to pay those costs. This rule will not impose an unfunded mandate.

Taking of Private Property

This temporary rule will not effect a taking of private property or otherwise have taking implications under E.O. 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This temporary rule meets applicable standards in sections 3(a) and 3(b)(2) of E.O. 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this temporary rule under E.O. 13045, Protection of Children from Environmental Health

Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments. A rule with tribal implications has a substantial direct effect on one or more Indian tribe, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Environment

The Coast Guard has considered the environmental impact of implementing this temporary rule and concluded that, under figure 2-1, paragraph 34(g), of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation. A "Categorical Exclusion Determination" is available in the docket.

List of Subjects

Harbors, Marine safety, Navigation (water), Reports and record keeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—[AMENDED]

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05(g), 6.04-1, 6.04-6 and 160.5; 49 CFR 1.46.

2. Add temporary § 165.T01-074 to read as follows:

§ 165.T01-074 Safety Zone: Fireworks Display, Provincetown, MA.

(a) *Location.* The safety zone includes all waters within a five hundred (500) yard radius of the fireworks barge area located approximately 800 yards to the southeast of Provincetown Harbor, Provincetown, Massachusetts, approximate position 42°02'00" N, 070°10'00" W.

(b) *Effective date.* This section is effective from 8 p.m. until 10 p.m. on July 4, 2001. If the evolution is cancelled due to inclement weather, than this section is effective from 8 p.m. until 10 p.m. on July 5, 2001.

(c) Regulations.

(1) The general regulations governing safety zones contained in 33 CFR 165.23 apply.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on-scene patrol personnel. These personnel comprise commissioned, warrant, and petty officers of the Coast Guard. Upon being hailed by a U.S. Coast Guard vessel by siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

Dated: June 18, 2001.

Mark G. VanHaverbeke,

Captain, U.S. Coast Guard, Captain of the Port, Marine Safety Office Providence.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 300

[FRL-7004-3]

National Oil and Hazardous Substance Pollution Contingency Plan; National Priorities List

AGENCY: Environmental Protection Agency.

ACTION: Direct final notice of deletion of the Arcanum Iron & Metal, Superfund Site from the National Priorities List.

SUMMARY: The Environmental Protection Agency (EPA) Region V is publishing a direct final notice of deletion of the Arcanum Iron & Metal, Superfund Site (Site), located near the Village of Arcanum, Twin Township, Darke County, Ohio from the National Priorities List (NPL). The NPL, promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, as amended, is appendix B of 40 CFR part 300, which is the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). This direct final notice of deletion is being published by EPA with the concurrence of the State of Ohio, through the Ohio Environmental Protection Agency because EPA has determined that all appropriate response actions under CERCLA have been completed and, therefore, further remedial action pursuant to CERCLA is not appropriate.

DATES: This direct final deletion will be effective August 31, 2001 unless EPA receives adverse comments by August 1, 2001. If adverse comments are received, EPA will publish a timely withdrawal of the direct final deletion in the **Federal Register** informing the public that the deletion will not take effect.

ADDRESSES: Comments may be mailed to: Kenneth Glatz, Remedial Project Manager (RPM), Glatz.Kenneth@EPA.Gov or Gladys Beard, State NPL Deletion Process Manager, Beard.Gladys@EPA.Gov, (SR-6J), U.S. EPA Region V, 77 W. Jackson, Chicago, IL 60604.

Information Repositories:

Comprehensive information about the Site is available for viewing and copying at the Site information repositories located at: U.S. EPA Region V Library, 77 W. I. Introduction

EPA Region V is publishing this direct final notice of deletion of the Arcanum Iron & Metal, Superfund Site from the NPL.

The EPA identifies sites that appear to present a significant risk to public health or the environment and maintains the NPL as the list of those sites. As described in § 300.425(e)(3) of the NCP, sites deleted from the NPL remain eligible for remedial actions if conditions at a deleted site warrant such action.

Because EPA considers this action to be noncontroversial and routine, EPA is taking it without prior publication of a notice of intent to delete. This action will be effective August 31, 2001 unless EPA receives adverse comments by August 1, 2001 on this notice on this notice of deletion. If adverse comments are received within the 30-day public comment period on this notice of deletion, EPA will publish a timely
