n. Preliminary Permit—Public notice of the filing of the initial preliminary permit application, which has already been given, established the due date for filing competing preliminary permit applications or notices of intent. Any competing preliminary permit or development application or notice of intent to file a competing preliminary permit or development application must be filed in response to and in compliance with the public notice of the initial preliminary permit application. No competing applications or notices of intent to file competing applications may be filed in response to this notice. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

o. Proposed Scope of Studies under Permit—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

p. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

q. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "PROTEST", "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426. An additional copy must be sent to Director, Division of Hydropower Administration and Compliance, Federal Energy Regulatory Commission,

at the above-mentioned address. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

r. Agency Comments—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

David P. Boergers,

Secretary.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action applies to the public in general. As such, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Additional Information, Including Copies of this Document and Other Related Documents?

You may obtain electronic copies of this document, and certain other related documents that might be available electronically, from the EPA Internet Home Page at <http://www.epa.gov/>. To access this document, on the Home Page select "Laws and Regulations," "Regulations and Proposed Rules," and then look up the entry for this document under the "Federal Register—Environmental Documents." You can also go directly to the **Federal Register** listings at <http://www.epa.gov/fedrgstr/>.

II. Contractor Requirements

Under Contract No. 68-W0-1002/000, Vistronix, Inc. and its subcontractor, Labat-Anderson, Inc., will perform the following based on the statement of work:

The Information Services Branch (ISB) of the Information Resources and Services Division (IRSD) is responsible for providing records management guidance and support throughout OPP. ISB works closely with OPP managers and staff to develop program wide policies and procedures for managing OPP records, and to ensure program practices are consistent with Agency and Federal record keeping requirements.

To assist in this effort, ISB shall use contractor services to perform records management support services for OPP. Specifically, contractor services will be used to assist the conversion of paper records to electronic records. This record conversion project will also entail electronic file conversion and electronic file renaming projects. Contractor shall also support OPP in the processing of a backlog of pesticide incident reports, and other general records management tasks as needed. The contractor shall perform all work on site using government furnished equipment including OPP, Agency and off the shelf software applications.

The OPP has determined that access by Vistronix, Inc. and its subcontractor, Labat-Anderson, Inc., to information on

all pesticide chemicals is necessary for the performance of this contract.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(2), the contract with Vistrionix, Inc. and its subcontractor, Labat-Anderson, Inc., prohibits use of the information for any purpose not specified in the contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the FIFRA Information Security Manual. In addition, Vistrionix, Inc. and its subcontractor, Labat-Anderson, Inc., are required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Vistrionix, Inc. and its subcontractor, Labat-Anderson, Inc., until the requirements in this document have been fully satisfied. Records of information provided to Vistrionix, Inc. and its subcontractor, Labat-Anderson, Inc., will be maintained by EPA Project Officers for this contract. All information supplied to Vistrionix, Inc. and its subcontractor, Labat-Anderson, Inc., by EPA for use in connection with this contract will be returned to EPA when Vistrionix, Inc. and its subcontractor, Labat-Anderson, Inc., have completed their work.

Notice of Open Meeting; Environmental Financial Advisory Board; August 6-8, 2001

The Environmental Protection Agency's (EPA) Environmental Financial Advisory Board (EFAB) will hold an open meeting of the full Board in San Francisco, California on August 6-7, 2001. The meeting will be held at the Bankers Club, Bank of America World Headquarters Building, Pacific Room. The Monday, August 6 session will run from 9 a.m. 5 p.m. and the Tuesday, August 7 session will begin at 8:30 a.m. and end at approximately 12 noon. The purpose of the August 6-7 meeting is to discuss progress with work products under EFAB's current strategic action agenda and to develop an action agenda to direct the Board's future activities. Environmental financing topics expected to be discussed include: Cost-Effective Environmental Management; Brownfields Redevelopment; International Environmental Financing; Environmental Stewardship; and Financing Water and Wastewater Infrastructure.

On Wednesday, August 8, EFAB is hosting a roundtable on Environmental Stewardship. For some time, EFAB has been considering economic incentives and financial mechanisms that encourage the adoption of sound environmental stewardship practices on private property. The Board will collect information and insights from a group of informed panelists who will share their perspectives on environmental stewardship. The roundtable will begin at 9 a.m. and end at approximately 4:30 p.m. The roundtable is being held at the EPA Region 9 Office, 75 Hawthorne Street, Strategy Room R-1809, 18th Floor, San Francisco, CA.

Both meetings are open to the public, but seating is limited. For further information, please contact Vanessa Bowie, EFAB Coordinator, U.S. EPA on (202) 564-5186.

Dated: July 3, 2001.

Joseph Dillon,
Comptroller.

Meeting of the Ozone Transport Commission for the Northeast United States

AGENCY: Environmental Protection Agency.

ACTION: Notice of meeting.

SUMMARY: The United States Environmental Protection Agency is announcing the 2001 Annual Meeting of the Ozone Transport Commission. This meeting is for the Ozone Transport Commission to deal with appropriate matters within the Ozone Transport Region in the Northeast and Mid-Atlantic States, as provided for under the Clean Air Act Amendments of 1990. This meeting is not subject to the provisions of the Federal Advisory Committee Act, Public Law 92-463, as amended.

DATES: The meeting will be held on July 24, 2001 starting at 8:45 a.m. (DST).

ADDRESSES: The Hyatt Regency Newport, One Goat Island, Newport, Rhode Island, 02840; (401) 851-1234.

FOR FURTHER INFORMATION CONTACT: Judith M. Katz, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, PA 19103; (215) 814-2100.

For Documents and Press Inquiries Contact: Ozone Transport Commission, 444 North Capitol Street NW., Suite 638, Washington, DC 20001; (202) 508-3840; e-mail: ozone@sso.org; website: <http://www.sso.org/otc>.

SUPPLEMENTARY INFORMATION: The Clean Air Act Amendments of 1990 contain at Section 184 provisions for the "Control of Interstate Ozone Air Pollution." Section 184(a) establishes an "Ozone Transport Region" (OTR) comprised of the States of Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, parts of Virginia and the District of Columbia.

The Assistant Administrator for Air and Radiation of the Environmental Protection Agency convened the first meeting of the commission in New York City on May 7, 1991. The purpose of the Ozone Transport Commission is to deal with ground level ozone formation, transport, and control within the OTR.

The purpose of this notice is to announce that this Commission will meet on July 24, 2001. The meeting will be held at the address noted earlier in this notice.
